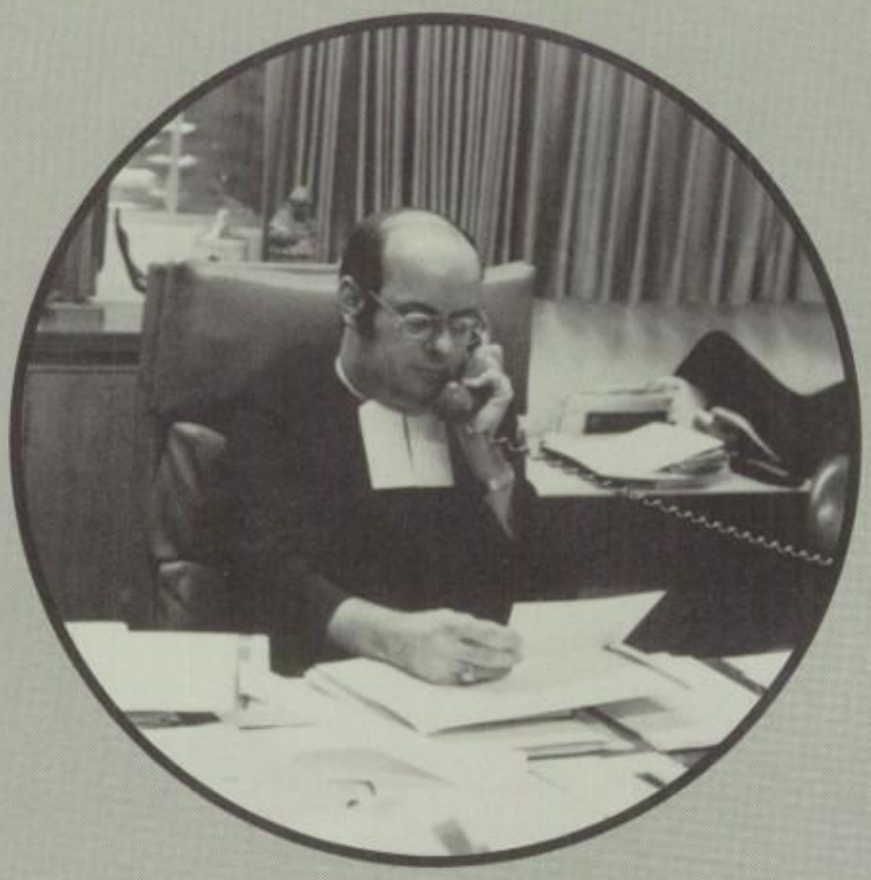
DEDICATION



It is indeed rare to find a person today who dedicates his life to a particular vocation. However, here at Cathedral one can see this quality in Brother James Meegan, F.S.S. A graduate of Cathedral in 1960, Brother came back to his alma mater as a lay teacher in 1965. Soon after, he realized a vocation to the Christian Brothers. Since then, Brother James has been known by many students as a man who is deeply devoted to caring for the students needs. He is a genuinely concerned, understanding and dedicated administrator. The CHIMES Yearbook Staff proudly dedicates the 1981 Annual to BROTHER JAMES MMEGAN, F.S.C. for his contributions to the Catherdral community.

FROSH LABOR

19

The Freshmen entering Cathedral this year were bestowed with the honor of being initiated by the class of "81". This was a day that every freshman looked forward to and cherished with all his heart.

To kick off the initiation the freshmen were auctioned. Their prices ranged from 10¢ to $15. Then the freshmen were given the torture treatment.

They had to perform duties for the seniors such as kissing their rings, buying their lunches, carrying their books, and the climax of this was two days of dress-up. Their costumes ranged from scary monsters to little babies. After the initiation the freshmen were relieved that it was over, but they felt welcomed into the Phantom family.

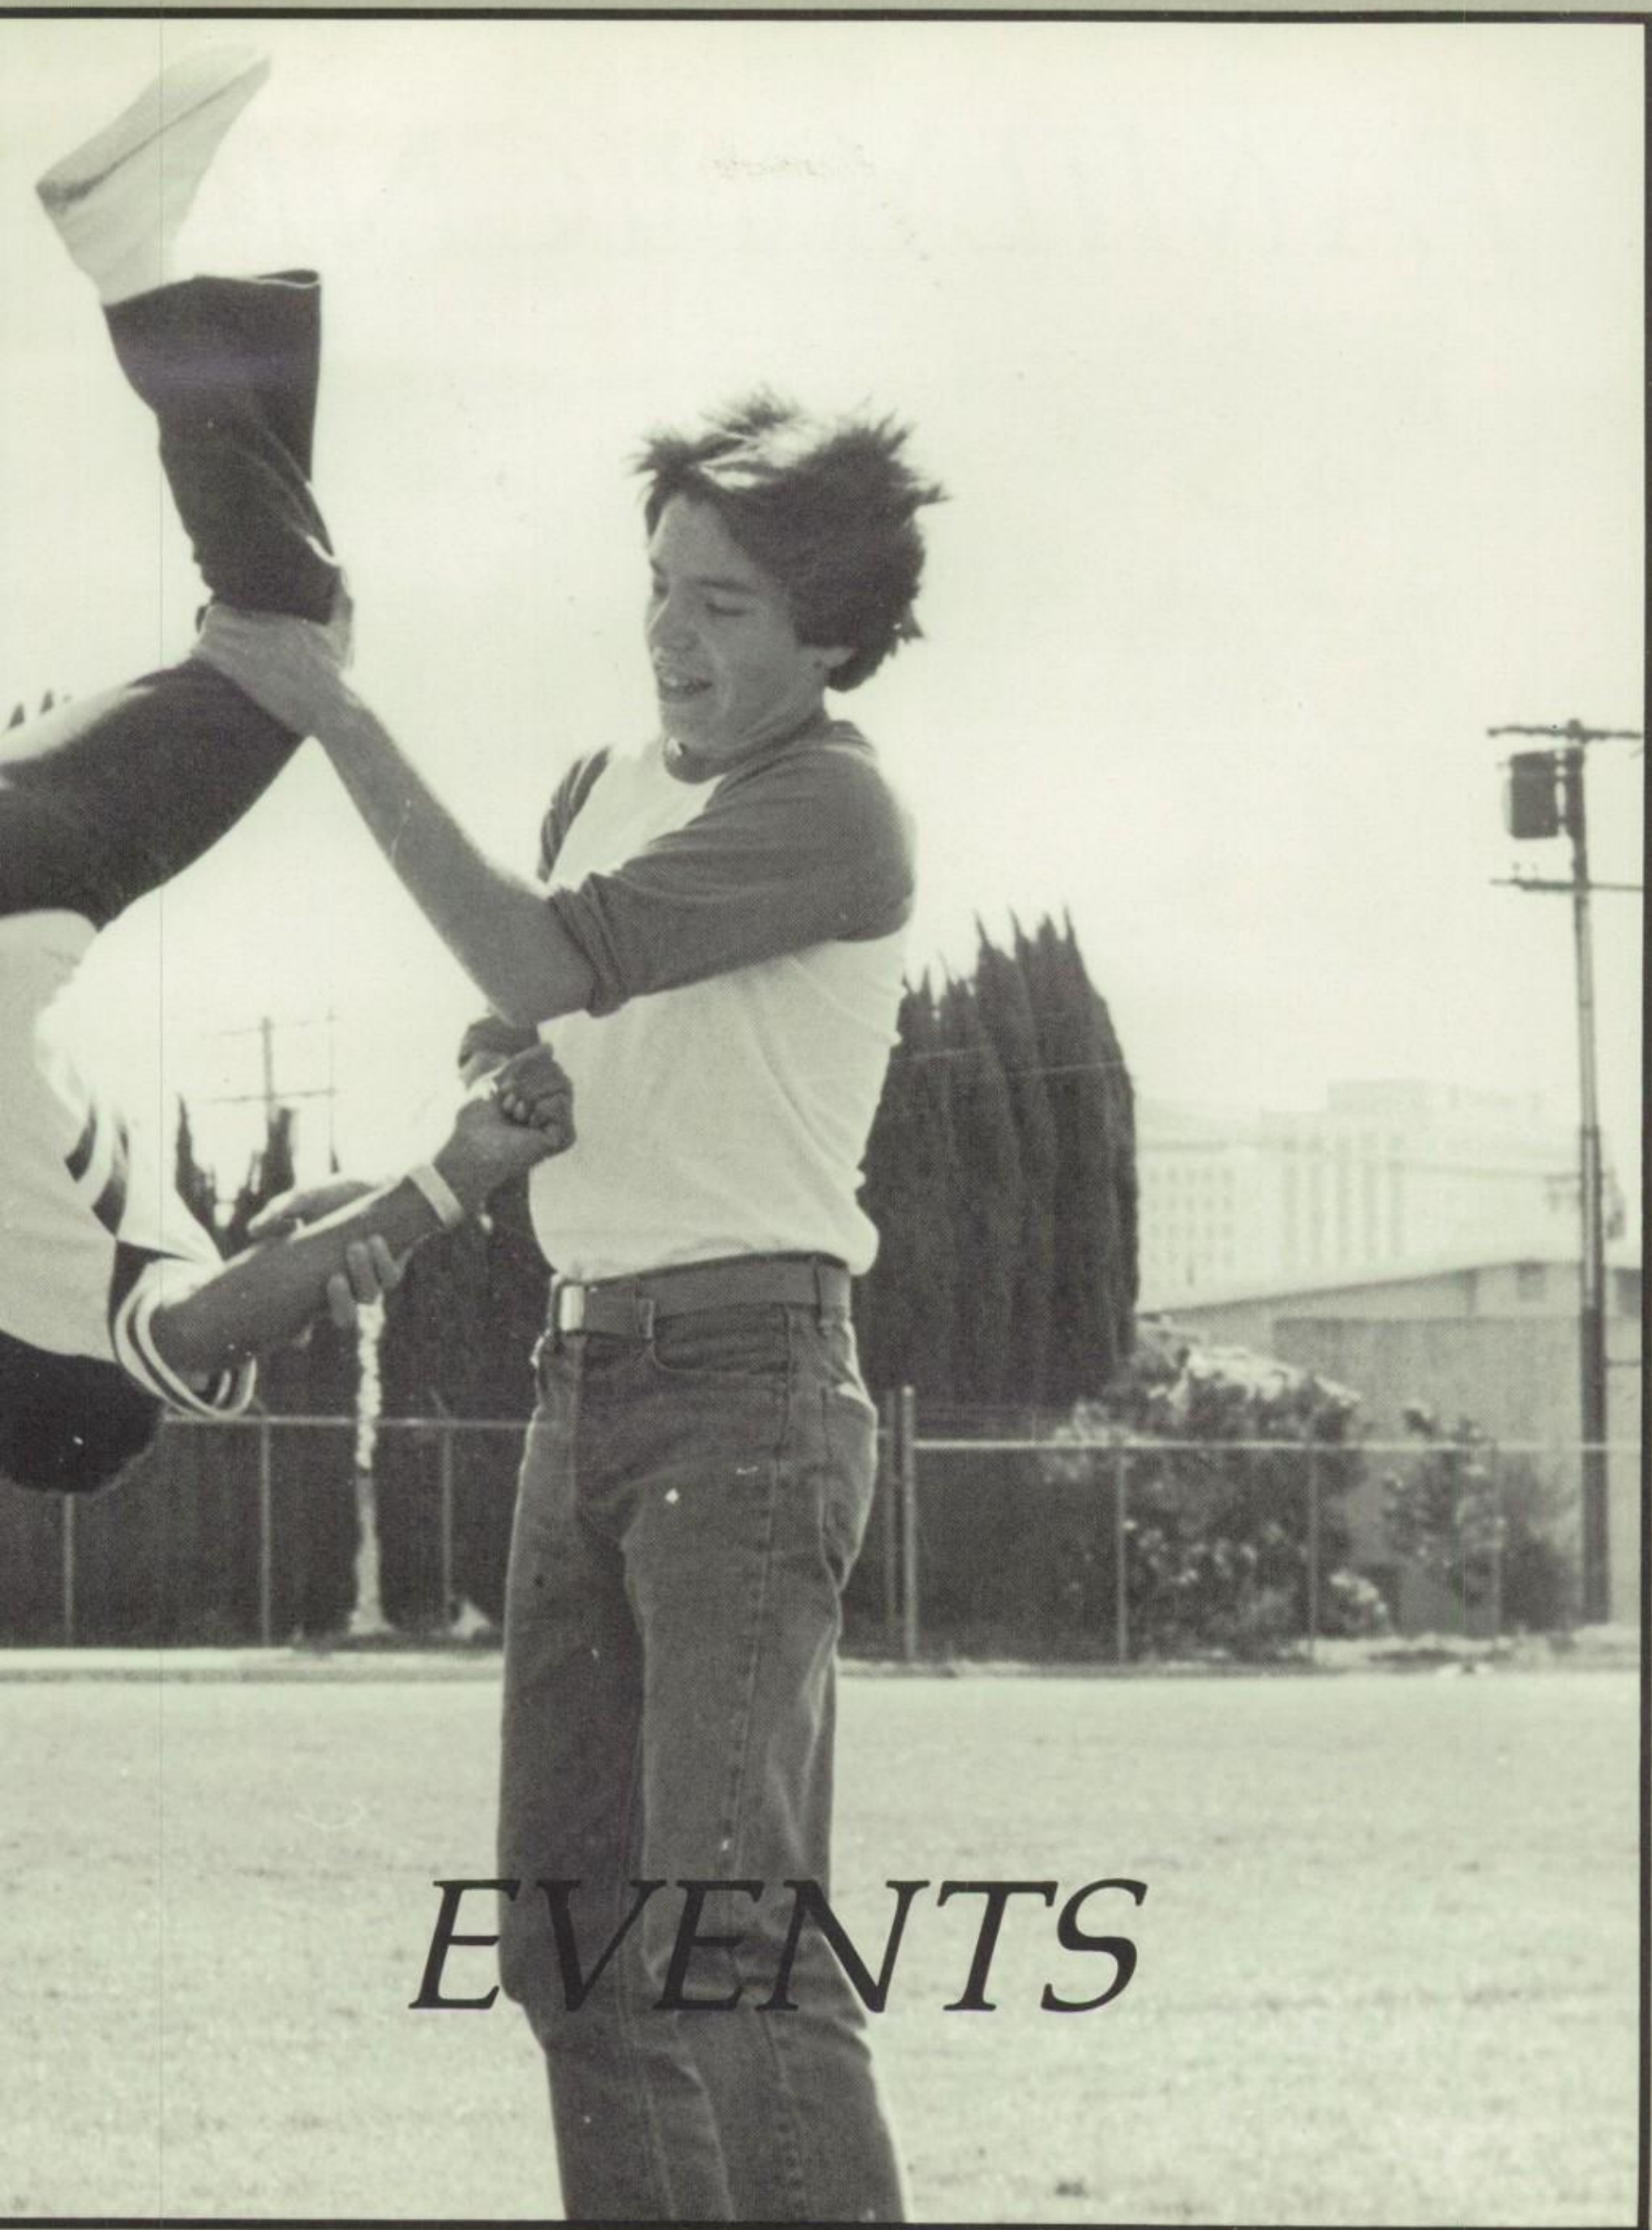
SPECIAL



EVENTS

FAMILY PICNIC

A DAY OF FUN UNDER THE SUN.

Once again family and friends of Cathedral gathered together on a warm, September Sunday for the Family Picnic. The games supposedly made up the center of attention, but the smell of steaks and carnitas were the main events. All in all the day was filled with excitement and laughter. By the way, whose beach ball was that?

1. *Paul & Cathy having a ball.*
2. *Hug me!*
3. *Mr. Ureno swings & misses.*
4. *Br. Martin's spitball special.*
5. *Potential Cathedral slugger of 1999.*
6. *The picnic scene.*
7. *This is some sandwich!*

Having A Good Time

1. Take that!
2. The "youngsters" race to the finish.
3. Br. James is "egg-cited" about participating!
4. Aagghh!
5. Pauline enjoys the sunshine.

WALKATHON

On one beautiful October sunday of 1980, an event occurred that helped the less fortunate as well as to promote unity among various Catholic high schools in the Archdiocese. The event? The Walkathon! Bishop Conaty, Loretto, Ramona, Mission, Cantwell and other schools walked a total of six miles to raise money for the Cardinal McIntyre Fund. Cathedral was its biggest participant, netting a total of $450.00 in pledges. All in all, the Walkathon was a success because of the students' participation and because of their concern for the poor. Cathedral is very proud to have taken part and eagerly awaits for next year's!

1. Plodding for the poor.
2. Carlos and Jerry pursuing their goal.
3. "This banner's a hassle!"
4. Ricardo is surrounded.

TERCENTENARY

One of Cathedral's biggest events this year was the 300th year celebration of the founding of the Christian Brothers. Cardinal Manning celebrated the mass with the Brothers and their families, friends, and alumni at St. Vibiana's Cathedral. Cardinal Manning in his homily called to mind today's need for quality education. He praised the Brothers for their dedication & fine work in providing this need in today's society. After the mass a reception followed at Cathedral's gymnasium. A fine buffet & Christian Bros. wine was enjoyed by all at this gala celebration!

A Celebration Of Brotherhood!

1. A religious moment.
2. Alfred and Carlos drinking on the job.
3. Mr. Fish is escorted out of the kitchen.
4. I told you to behave yourself!
5. Bro. Armand has that distinguished look.
6. Three merry souls.

GUADALUPE PROCESSION

Once again students and faculty of Cathedral participated in the procession in honor of Our Lady of Guadalupe. This is a traditional event in which we at Cathedral publicly demonstrate our faith in our Virgin Mary's appearance to Juan Diego. Many students took part in the march which ended at East Los Angeles College where some festivities occurred. At the end of the day, the students and the faculty felt proud to have been able to participate in this Religious event.

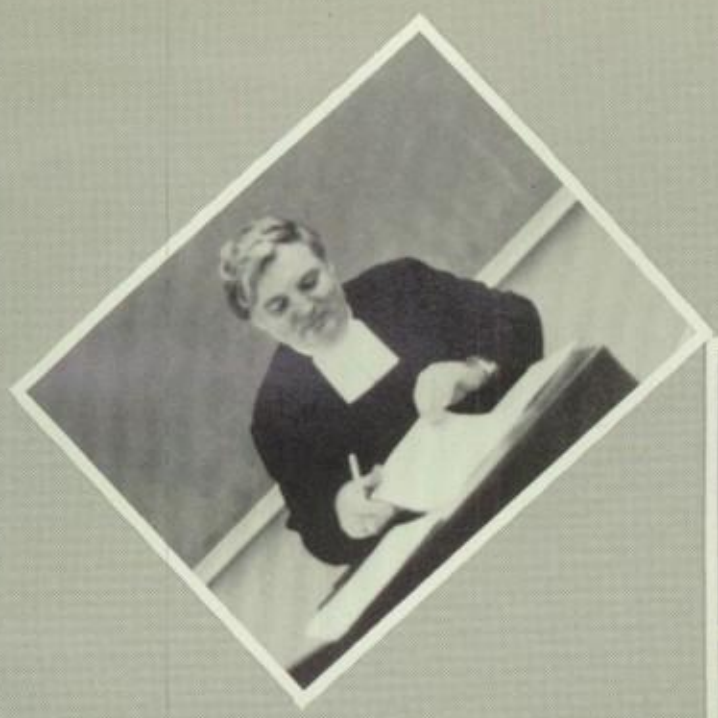
1956-1981

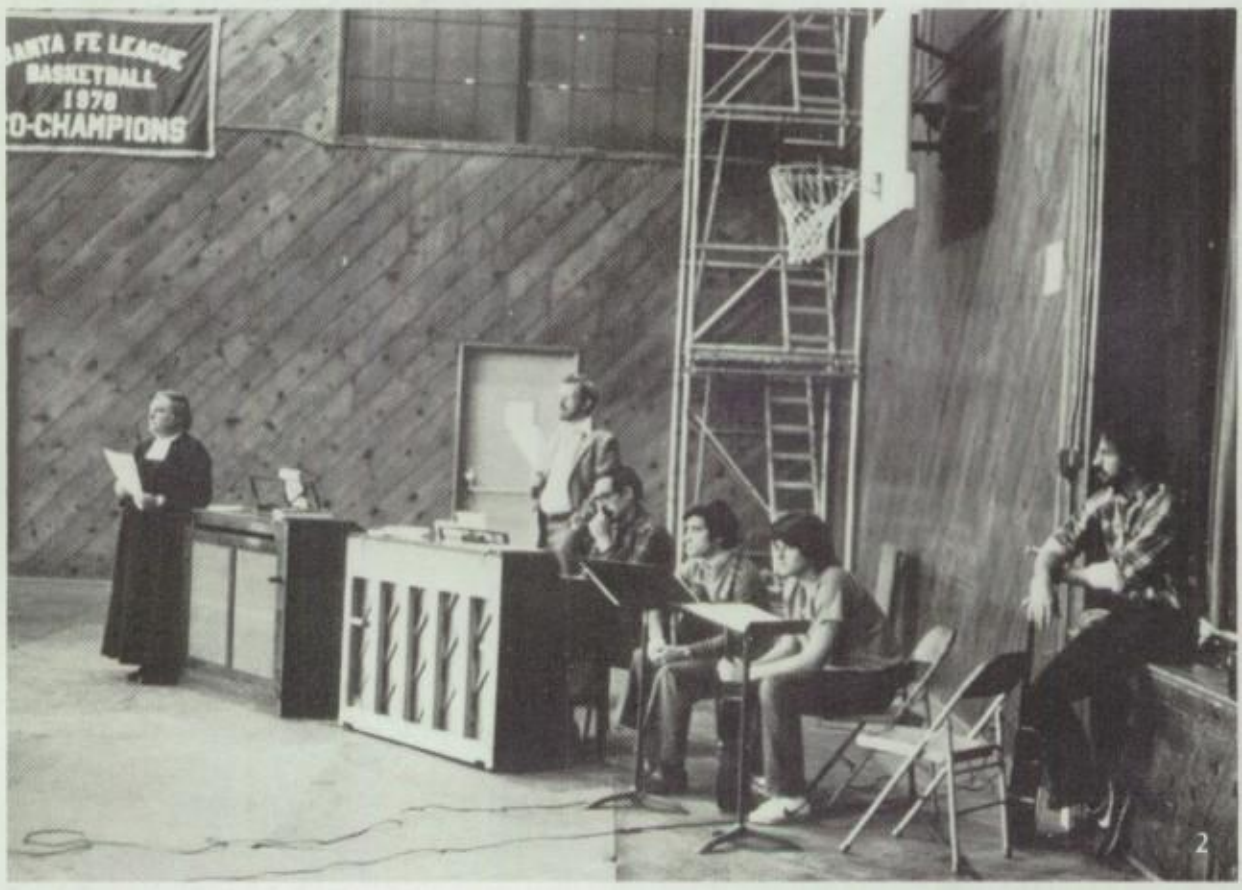


Brother DeSales Benning, F.S.C. has been a BROTHER for 25 years. We are proud and honored to have Brother on the faculty here at Cathedral High School during this his 25th year of service to youth as a Brother.

Congratulations and Best Wishes!
The Student Body, Faculty & Staff of Cathedral High School

CELEBRATION

The school year was once again commenced with the traditional Mass of the Holy Spirit. In November the Cathedral family participated in a special celebration at St. Vibiana's Cathedral to honor the Tercentenary of the Founding of the Brothers of the Christian Schools. Two weeks later we celebrated a Mass of Thanksgiving at which the student body showed its Cristian concern by gathering provisions and meals for the less fortunate. A big day in December was the feast of Our Lady of Guadalupe. In keeping with a long tradition, His Eminence, Timothy Cardinal Manning said the Mass for us, and a Mariachi band provided music. Everyone always looks forward to this joyous occasion that is always marked by a hearty vocal participation. A good number of students also extended their homage to Our Lady by taking part in her procession. The last Mass we celebrated together in 1980 was the Midnight Mass attended by students, alumni, parents, friends, and faculty who wished to spend the holy night at Cathedral. January was a good month since the fifty-two captive Americans in Iran were safely returned home. Because of this fortunate and long awaited event, our school once again held a Thanksgiving Mass in their honor. The masses at Cathedral always leave us with a feeling of togetherness which enhances our ever growing Christian spirit.



1. *"Stand up Oh men of God!"*
2. *The closest thing to a school band.*
3. *Proceeding out of Mass.*
4. *Faculty repents after abusing students.*

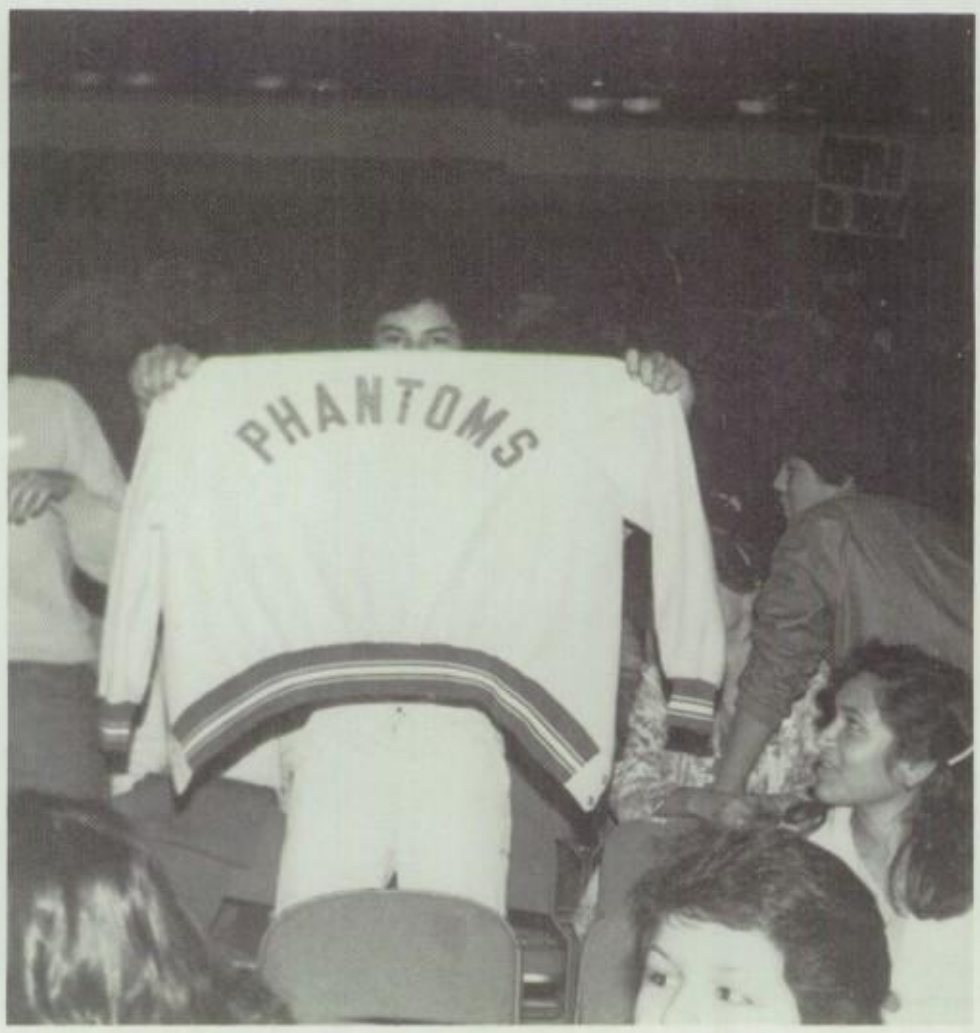
YOUTH DAY

Many Gifts
One Lord



Love And Praise Towards Our Father.

For the third straight year, Cathedral participated in the Youth Day convention, sponsored by the Confraternity of Christian Doctrine. It was held on February 12th in spacious Anaheim Convention Center. For those that participated it was a special event because of the many different young people who came to the convention, freely expressing their faith in Jesus Christ. Many unique workshops were held, ranging from "Conformity or Non-Conformity" to "Jesus and His Homeboys". There was also music provided by "The Damiens", a group of priests from Louisiana. Their music had a point, as did the theme "Many Gifts, One Lord" because of the many things God gives us, He is still One.

Fifteen students of Cathedral went to the convention and fifteen students came back from it, stronger in faith and stronger in love towards our brothers and sisters.

1. Priests from various dioceses celebrate the mass.
2. Frank escorts a priest.
3. Jaime listens intensely.
4. Bernard makes Cathedral's presence known.
5. Albert waits for things to start rolling.
6. The arrival at the convention center.
7. Mr. Higgins in a moment of solitude.
8. The Damiens entertain the joyful crowd.

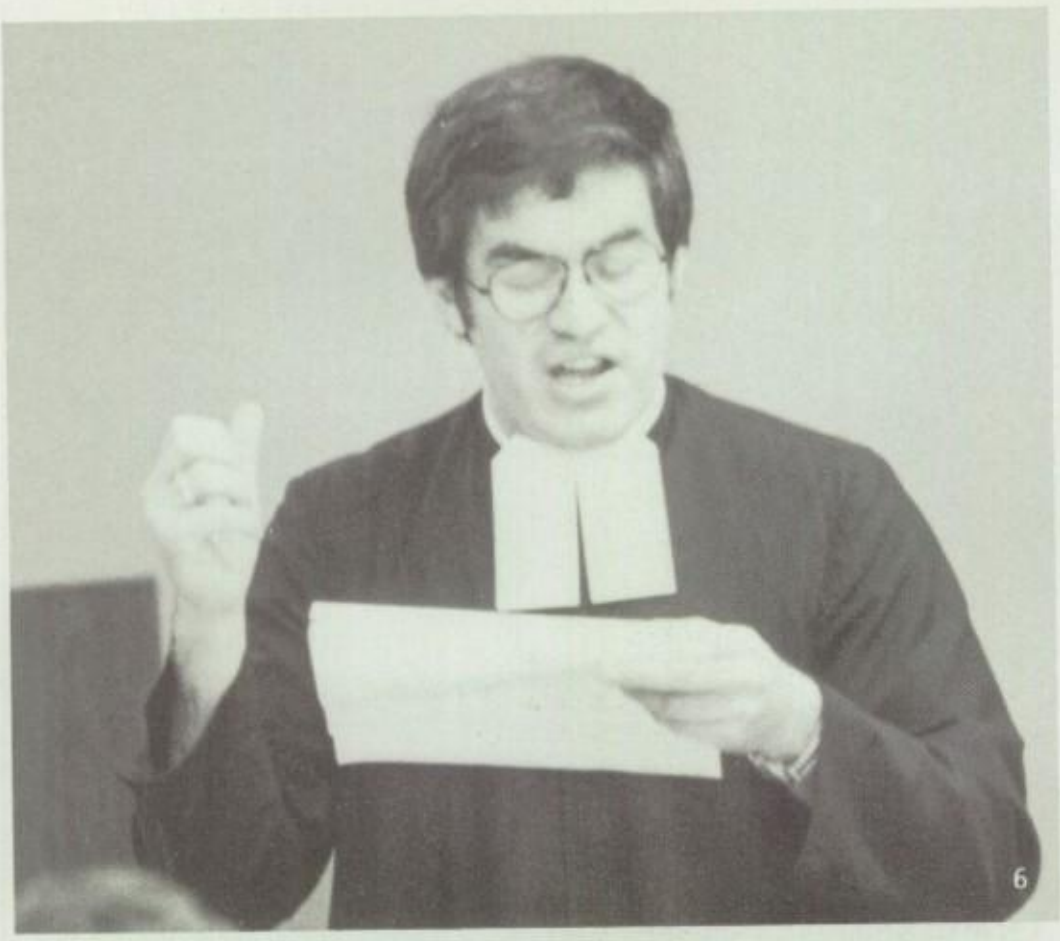
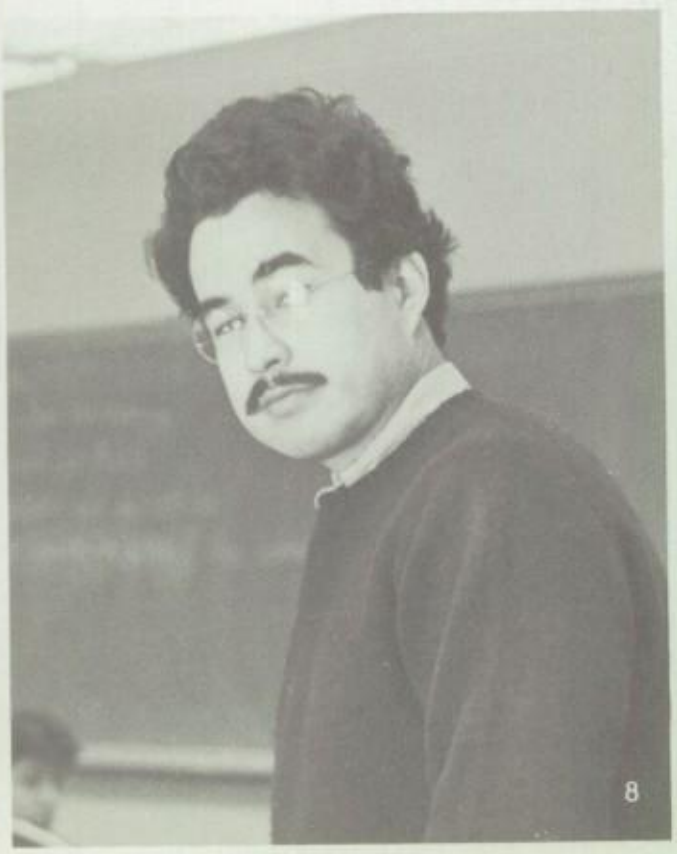
Serving The Student Body For Their Intellectual Needs.





The atmosphere of Cathedral allows a Faculty member to help a student better himself. Whether it be a student's quest to know his God or his desire to ascertain the functions of early Roman culture, the faculty member will be there to help the student & make him use his intellect to its fullest abilities. Our faculty at Cathedral is the best because they care!

Dear Paul:

Through you, as Editor of the 1981 CHIMES yearbook, I am happy to convey a greeting to the High School Community.

It is no secret that the students of this school are very dear to me and a source of great comfort and admiration.

May Our Lady of Guadalupe, whom we honor together each year, continue to enfold all of you in her love.

Very sincerely yours,

To the Cathedral Student Body:

The present school year is the occasion of the celebration of the 300th anniversary of the founding of the Christian Brothers by St. John Baptist de la Salle. This is a historic and joyful year for all of us at Cathedral. The Mass offered by Cardinal Manning at St. Vibiana's Cathedral and the reception following on November 8th is still being talked about because of its spirit and its excellence.

The 300th anniversary is not only a cause for us to reflect on the past, but it is a call for us to look to the future. Cathedral has served the needs of the Catholic young men of the Archdiocese of Los Angeles for many years. It has done an excellent job. There are Cathedral alumni all over the place and they recall and continue to embody the loyalty, and religious spirit that have been the trademark of the Cathedral student.

But we at Cathedral--all of us, faculty and students must look to the present and then to the future. We must strive every day to live up to our potential as an individual and as a member of a family. We all must work to make ourselves better people and Cathedral a better school. That is the challenge and the Tercentenary year reminds us of this.

We can look to this 300th year as very special. The academic progress that has been made by each student is key. The spiritual and social growth that we have experience becomes the foundation for our future. The achievements of our teams--the playoff participation of our varsity football team, the blood drive and food drive sponsored by the Christian Action Club, the succussful intramural program, the drama production, etc. have helped in making 1980-1981 unique. The publishing of the 1981 Chimes continues a tradition of excellence and sets the standards for the future.

It is with great hope that we approach the end of the Tercentenary year. The future is bright and it depends on all of us to fulfill the dream.

Spreading The Spirit Of Cathedral

The Spirit Club basically promotes unity and spirit for the Phantom student body.

They were very vocal at all Cathedral football games, leading the Cathedral family with spirited cheers. At basketball games, Spirit Club was there (home or away) cheering our forces to victory. The Spirit Club was also very active in various activities that helped promote the spirit of Cathedral to the student body. Let's hope the Spirit Club will get carried on towards the future as proud Cathedral tradition.

An Imaginative Exciting And Daring Game Comes To Cathedral

The Valiant Knights of the Dungeons and Dragons club were a group of young men who were hungry for adventure that could not be satisfied here on earth. Dungeons masters Tony Moya and Alvin Bernal led their daring Knights through many dungeons of danger and excitement. The knights consisting of Jerry Salas, Richard Orozco, Gary Deocampo, Javier Mariscal, Joseph Mendoza, Marco Perez, Johnny Salinas, and Scott Reed enjoyed every minute of their journey.

The Science Club is comprised of students who are intrigued by all living forms of life that are in existence. Moderated by Mr. John Ambrosio, the club ventured out on various trips to museums and other scientific institutions. They have a zest to learn more about the environment of this earth. In the future, the Science Club hopes to grow in its membership so that many of its goals will be accomplished.

CHRISTIAN ACTION

". . . It is in giving that we receive. . . "
-St. Francis of Assisi

Though Christian Action lost some valuable members at graduation last year, this years club was very active. The club was able to recruit new members in assisting itself to carry on in its community and school activities.

Christian Action's first activity of the school year was the collection of food for the poor during Thanksgiving. Hundreds of cans of food and other staples were given by the students themselves. The food was then distributed to the poor in the greater Northeastern Los Angeles area. The Blood Drive was a success, due to the hard-working merits of the club members. Next, the club raffled off a portable T.V. to help raise money for Br. Armand's Tijuana Project.

The Christian Action Club has many other activities in store for Cathedral and the community that surrounds it. They are (guided) by the Spirit to help those less fortunate than others. May the good deeds of this special club be carried on throughout the years to come!

Mecha this year had sizable membership (27 people). They had high hopes to achieve a lot of their goals in the first semester but circumstances prevented them. However, in the second semester, Mecha's objectives were realities and they sought out to achieve them: A basketball game with a neighboring Girls school to help raise money for the poor and a skit representing the Chicano/Mexican-American as he is in today's contemporary society. Mecha feels quite capable of achieving their goals.

BLOCK CEE

A Service Of Dignity And Class.

This year an old tradition was revived: Block C. It is a club that provides its services in many different ways: Ushering at Homecoming, Chalking the field for football and soccer games, and officiating at the intramurals. The requirement of the club is that a student earns a varsity letter in any sport at Cathedral. Block C gives these students a special kind of pride because of its long-standing tradition and because of its special requirement of admittance. Block C is one club all Cathedralites past and present would like to see for a long time. It is a club of dignity and class.

Keeping The School Spotless.

The Circle Cee at Cathedral is a proud tradition that has been in existence for decades. We are a dedicated bunch that sees to it that our campus is kept clean. We also help to maintain order at rallies and we've also helped at Frosh. orientation, Open House, and the Tercentenary. As usual a large amount of students applied (about 60 students) last spring, but only 35 were accepted. Our club gives a student a sense of pride in serving his school, it gives as well the meaning of responsibility. Moderated by Br. Manuel, Circle Cee is one club, one tradition, that Cathedral will surely carry on to the future!

En Cathedral High School es una distincion pertenecer a la SOCIEDAD HONRARIA HISPANICA. Se ha formado esta asociación bajo los auspicios de la American Association of Teachers of Spanish and Portuguese, (AATSP), para honrar a todos aquellos alumnos que estudien el espanol y mantengan una calificacion de B ó A. Como segunda meta se propone esta sociedad promover el estudio de la lengua y cultura hispánicas entre sus mienbros y entre el estudiantado en general.

Desde su incepción en 1976, muchos de los miembros de la HISPANICA se han graduado con honores en español. Pueden graduarse con estos honores todos aquellos alumnos que hayan cursado ocho semestres de espanol y que en sus últimos dos anos hayan mantenido un promedio de, por lo menos, una B.

Durante el curso los miembros de la SOCIEDAD patrocinan una serie de atividades culturales para sús miembros y para todos los compañeros del estudiantado que quieran participar. Esta actividades son de índole cultural e incluyen conciertos, obras de teatro, intercambios con clubes de otros colegios, etc.

Este ano Jorge Romo está a la cabeza de esta SOCIEDAD. Sirven como vice presidente y secretario Carlos Flores y Ricardo Yáñez, respectivamente. El Hmo. Manuel Vega, FSC, es el Assor.

C.S.F.

"We Strive For Academic Excellence."

The revival of the California Scholarship Federation (C.S.F.) came to Cathedral this year. A student needs a 3.5 G.P.A. or better to attain admitance into this prestigious organization. Members of the club offer their free time to tutor students. Basically, this organization is known by its high standards to be a member of it. Yet this does not mark any stain upon a student with poor grades, for the role of the C.S.F. is to encourage students to do better in their studies. This is what makes the C.S.F. the club that it is: great!!!

COMPUTER

A Source Of Technology That Is A Source Of Education And Recreation.

A club not lacking in enthusiasm was the Computer Club. With the help of Mr. Ureno, moderator, the club was able to program many creative programs for educational and entertainment purposes. It takes quite awhile to program the computer for a particular purpose, so there is a good amount of work just to get the club's activities rolling. Computer Club people hope to expand the club next year because they would like to see students share in the fun and education of using a computer.

PROM

Mike Acosta, Rudy Alcala, Carlos Flores, Dean Barrett-Chairmen.

A prom is a special and memorable occasion, expecially for seniors since it is their last one. At Cathedral, this year's Prom Committee saw to it that the 1981 Prom would be a classic. They made sure that the bids would be reasonably priced and at the same time that the prom would be as elegant and memorable as it could be. With Mr. Amendola, moderator, the small but organized committee was able to do everything quickly and efficiently. Due to their efforts, Cathedral's prom of nineteen-hundred and eighty-one was a memorable success.

"Send Me No Flowers" Another Fine Cathedral Production

This year the Cathedral Drama Club had an opportunity to display its humor. With Mrs. Summers' help as director, the club presented "Send Me No Flowers." As usual the Drama Club was in fine form this year. The play showcased many dedicated and talented people. The fine performances given by the cast was a sign of the long hours of work spent in preparation. The sets this year were superbly done by the Art Department under the supervision of Mr. Nowlin. The Cathedral Drama Club would like to thank all of those who supported us and for allowing us to entertain you.

RALLY

We Make Creatvity Happen

This years' Rallies could be summed up in two words: absolutely crazy! With the help of the Rally Committee, "Juicy Lucy" bursted upon the Cathedral scene, enticing young men with her sensual mannerisims. Chairman Jeff Hernandez kept the student body in stitches with his gastric outbursts. Other members gave their time and effort to perform in various skits. They did a magnificent job. The revival of Rallies has to come to Cathedral. Students can expect more creativity coming to life in the future, because there's more to school than books, detention, and essays.

CHESS AND BACKGAMMON

Games Of Skill, Mental Dexterity And Fun!

Cathedral's Chess and backgammon club is new this year to the students. Chess has been around for some time but Backgammon is new. The purpose of this club is merely recreational; students can be seen playing either games in the morning, lunch and after school. Chess and Backgammon requires skill, and mental dexterity but all in all it is just a lot of fun!

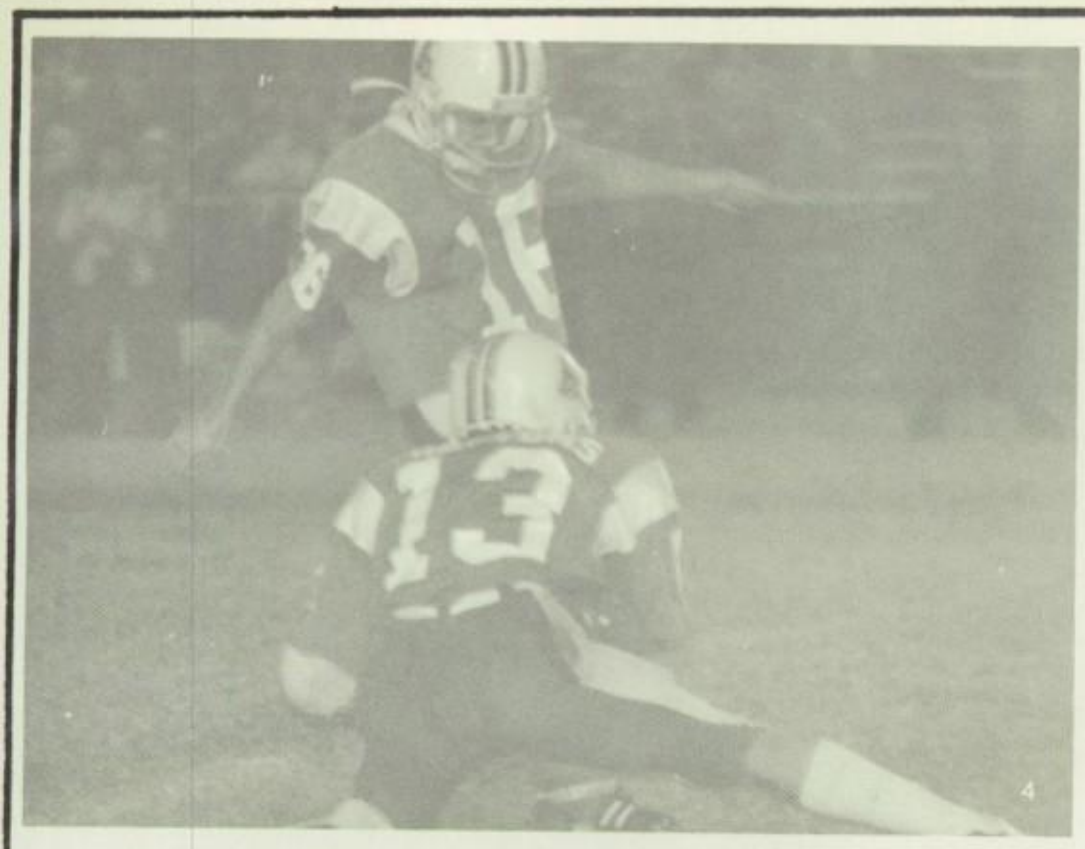
VARSITY CHAMPS



The 1980 Cathedral High Varsity football team was one of the best teams since 1976. This team accomplished many things this year, such as a better record, 5-5 in league and 6-6 overall. Also, the team went to the playoffs for the fourth time in Cathedral's history. The team had a talented group of guys who proved that they could be the best. They came out from last place the previous year to become Tri-Champs of the Santa-Fe League.

The Phantoms opened up the season by losing its first two games to Duarte 22-0 and to St. Anthony's 34-13. The Phantoms got their confidence back by beating Harvard 14-0 and Lennox 13-0. The Phantoms' defense started to jell. The following week the Phantoms traveled to Compton to lose to a huge Verbum Dei team 21-0.

In league the Phantoms finished 3-1 and were Santa Fe League tri-champs. The opening league game against Pater Noster was the Varsity's best played of the season. The Phantoms trounced the Eagles 24-7. Touchdowns were by George Villalobos, Carlos Garcia and Alfredo Lopez. Rudy Alcala added on a field goal. The Phantoms then traveled to Fillmore to lose a non-league contest 17-3. The homecoming game against St. Monica resulted in a easy 16-6 victory for the Cathedral gridders. The Phantoms then lost a heartbreaker to Chaminade 14-7. Next week's contest was against Bell-Jeff ranked 9th in C.I.F. The team, determined to go to the playoffs, defeated Bell-Jeff 21-13. Outstanding players in the game were everybody on the team.

The C.I.F. playoffs was one goal the Phantoms wanted to reach this year. In the opening round the Phantom Varsity upset 1979 C.I.F. 1-A champs Whitter Christian in a heartstopping game in overtime, 14-7. Scores were by Craig Chapman on a 6 yd. run and a 3 yd. pass from G. Villalobos to C. Garcia. The following round matched the Phantoms against Tehachepi (who went on to become the champions). Cathedral's dream of winning C.I.F. faded into thin air as the Phantoms lost 21-7.

The season belonged to the Phantoms. They showed that they had what it takes to be winners. They played with class and dignity and it took them to the playoffs. We are the Champions, we are the Mighty, Mighty, Phantoms!

J.V. FOOTBALL

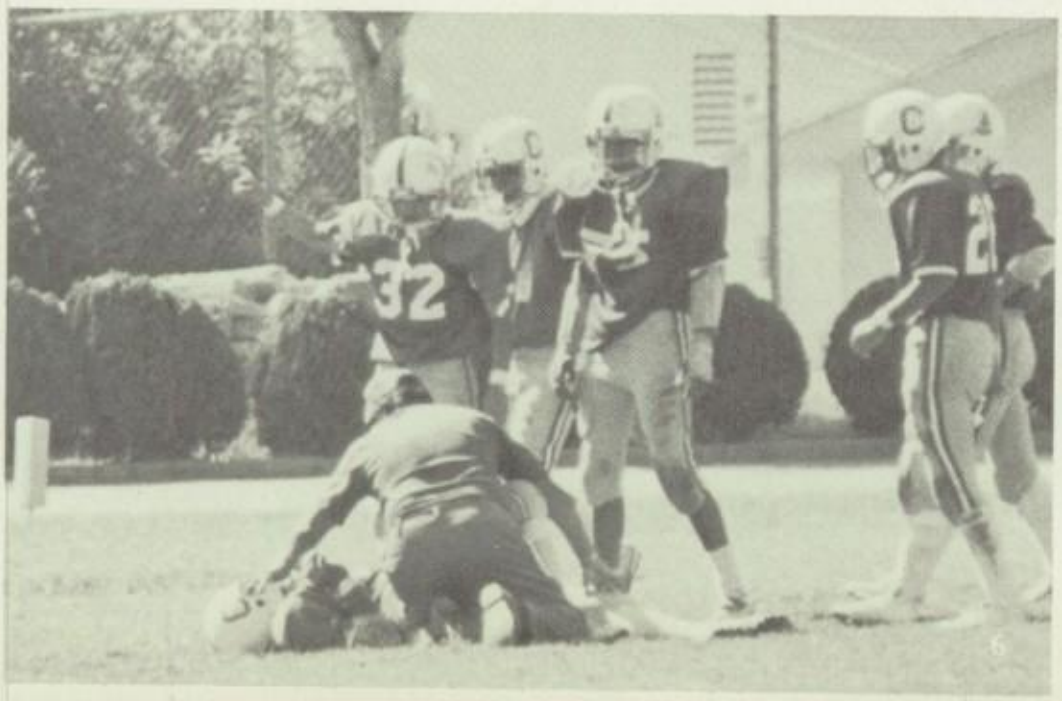
3



This years' Junior Varsity Football Team, under the direction of first year coach Robert Ramirez, experienced a season of peaks and valleys. Along with Asst. Coaches Danny Ramirez and Gary Bertelone, the team attempted to retain their status as Champions of the Santa Fe League. Unfortunately, the team was unable to reach this particular goal, finishing with an overall record of 4-5-1.

Since there is more to high school football than a winning record, the coaching staff is very proud of the fact that other team goals were realized. Through hard work and determination the J.V. Phantoms learned the true values of sportsmanship and team spirit. They also acquired valuable knowledge and skills which they certainly need for their further development as football players. As a result of reaching the goals of these other fine points of football, the future success of this sport at Cathedral is a very positive aspiration.

L. to R. I. Torres, J. Mariscal, A. Zaragoza, M. Trafecanty, C. Cuevas, D. Romo, G. Guerrero.

When Coach Bob Fish opened cross country practice this year, he found that there were only three returning Varsity lettermen, Mike Trafecanty, Javier Mariscal and Ismael Torres. The outlook for the season was not especially bright. However, four sophomores-Gabriel Guerrero, Anthony Zaragoza, Cesar Cuevas and Daniel Romo emerged to give the Phantom harriers a very competitive team. The preseason was especially difficult for the inexperienced runners as the Phantoms faced 2-A powers Loyola, Crespi and Cantwell. Even though Trafecanty was victorious in all these races, the team lost. La Salle, the defending 1-A champions, defeated Cathedral in the opening league meet. However, the team rebounded to win the remaining four meets against St. Monica, Pater Noster, Bell-Jeff and Chaminade to finish 2nd in the league and to advance to the C.I.F. Prelims at Saddleback College. The Phantoms placed 3rd in their heat and advanced to the finals where they finished 9th overall. It was much more than was expected at the beginning of the season; it was a successful season indeed! Trafecanty was the team's outstanding runner; he won medals at the Pacifica, Bell-Jeff and Mt. Sac Invitationals and finished 14th overall in the C.I.F. finals. Varsity letters were awarded to Trafecanty, Guerrero, Zaragosa, Cuevas, Romo, Mariscal, Torres and Mario Hernandez.

J.V. CROSS COUNTRY

The Cathedral J.V. Cross Country team showed much improvement throughout the season. After beginning slowly with losses against Loyola, Cantwell, Crespi and La Salle, the team swept their final four meets against St. Monica, Pater Noster, Bell-Jeff and Chaminade to finish second in the Santa Fe League. Juniors Frank Barron and Jesse Olivar, won medals at league finals. Barron also was a medal winner at the Bell-Jeff Invitational while Olivar captured a medal at the Pacifica meet. Other letter winners were Leo Aguilar, the outstanding Freshmen, Alex Martinez, Ralph Hernandez, Tony Clay and Phil Urenia.

J.V. SOCCER

Cathedral's J.V. Soccer team started slow early in the season. However, they quickly picked - up and had a great season. They had the desire to prove to themselves and to the school that they can be top contenders. Though the team was young and inexperienced they achieved what they set out to do. During the pre-season against 3-A schools, our record was 4-3-2. (not bad). The team had to make a few changes to put the right system into work before league started. Our victories were sweet, but also our losses gave us that extra incentive to try harder the next time out. Our league record was 7-3. This showed our ability to succeed. Next season our team will be the one to watch. Not only do we have the ability to be successful but more importantly we have the faith to be # 1!

V. BASKETBALL

Determination, Strength, Ability. . . Our Strongest Qualities.

The 1980-81 Varsity team had many goals and aspirations. Although all of these goals were not realized, the Phantoms did have a productive year. In part because of a tough schedule and key injuries, the Phantoms struggled in the pre-season posting only two wins. The Phantoms, however, rebounded after the Christmas break to play tough and competitive basketball against St. Paul and Bell Jeff. The team struggled in the first round of league, winning twice against P.N. and Chaminade. The second round of league was much more prosperous, however, as the Phantoms won three out of five games including a tough win at St. Monica's and a playoff clinching spot against Chaminade. Unfortunately for the Phantoms, they drew Santa Clara, the number one team in the C.I.F., in the first round of the playoffs. Although the Phantoms hustled and fought hard, Santa Clara prevailed to eliminate the Phantoms.

The Phantoms were led by the scoring of Sal Rodarte and Nat Domingo, and the ballhanding, passing, rebounding, and hustling of Carl Calderon, Danny Sanchez, and Eddie McNeil. The latter two being selected to the All Santa Fe League team. Willie Santos, Frank Pinela, and Mando Vazquez all contributed greatly to the enthusiasm, hustle, and pride that the Phantoms displayed throughout the year. The future looks bright for the Phantoms with three returning starters back next year. Congratulations to Coach Bob Fish and the Phantoms for their efforts and achievements.

J.V.'s Gain

Experience

This year's J.V. Basketball team members were a dedicated and spirited group. The many hours of practice were successful because the players were cooperative and enjoyed working together. Because of the team's efforts, the J.V.'s played well against taller opponents. Although all members deserve credit for their team spirit, special mention should be given to Ralph Reyes and Manuel Rodarte, who led the J.V.'s in scoring, and to Robert Villagomez, who was the team's strongest rebounder.

Cathedral's Future Champions

This year's 1980-81 Frosh Basketball team made great strides in playing a difficult pre-season. The Frosh posted important wins over Cantwell, Bosco Tech., and narrow losses to Serra and Verbum Dei. The team began to jell in late December and was ready for a strong showing in League. Led by the strong scoring of George Garcia and the consistent board play of Sal Narrow and Eric Herrera, the Phantoms challenged for first place in the league. With the continued improvement of Michael Young and Guy Toley and the consistent and sometimes spectacular ballhandling of Bobby Adanto, the Phantoms finished with a most surprising second place finish. Congratulations to all the Phantoms for their great improvement. Special congratulations to Coaches Yaz Oda and Br. Anthony who did an extraordinary job with the team.

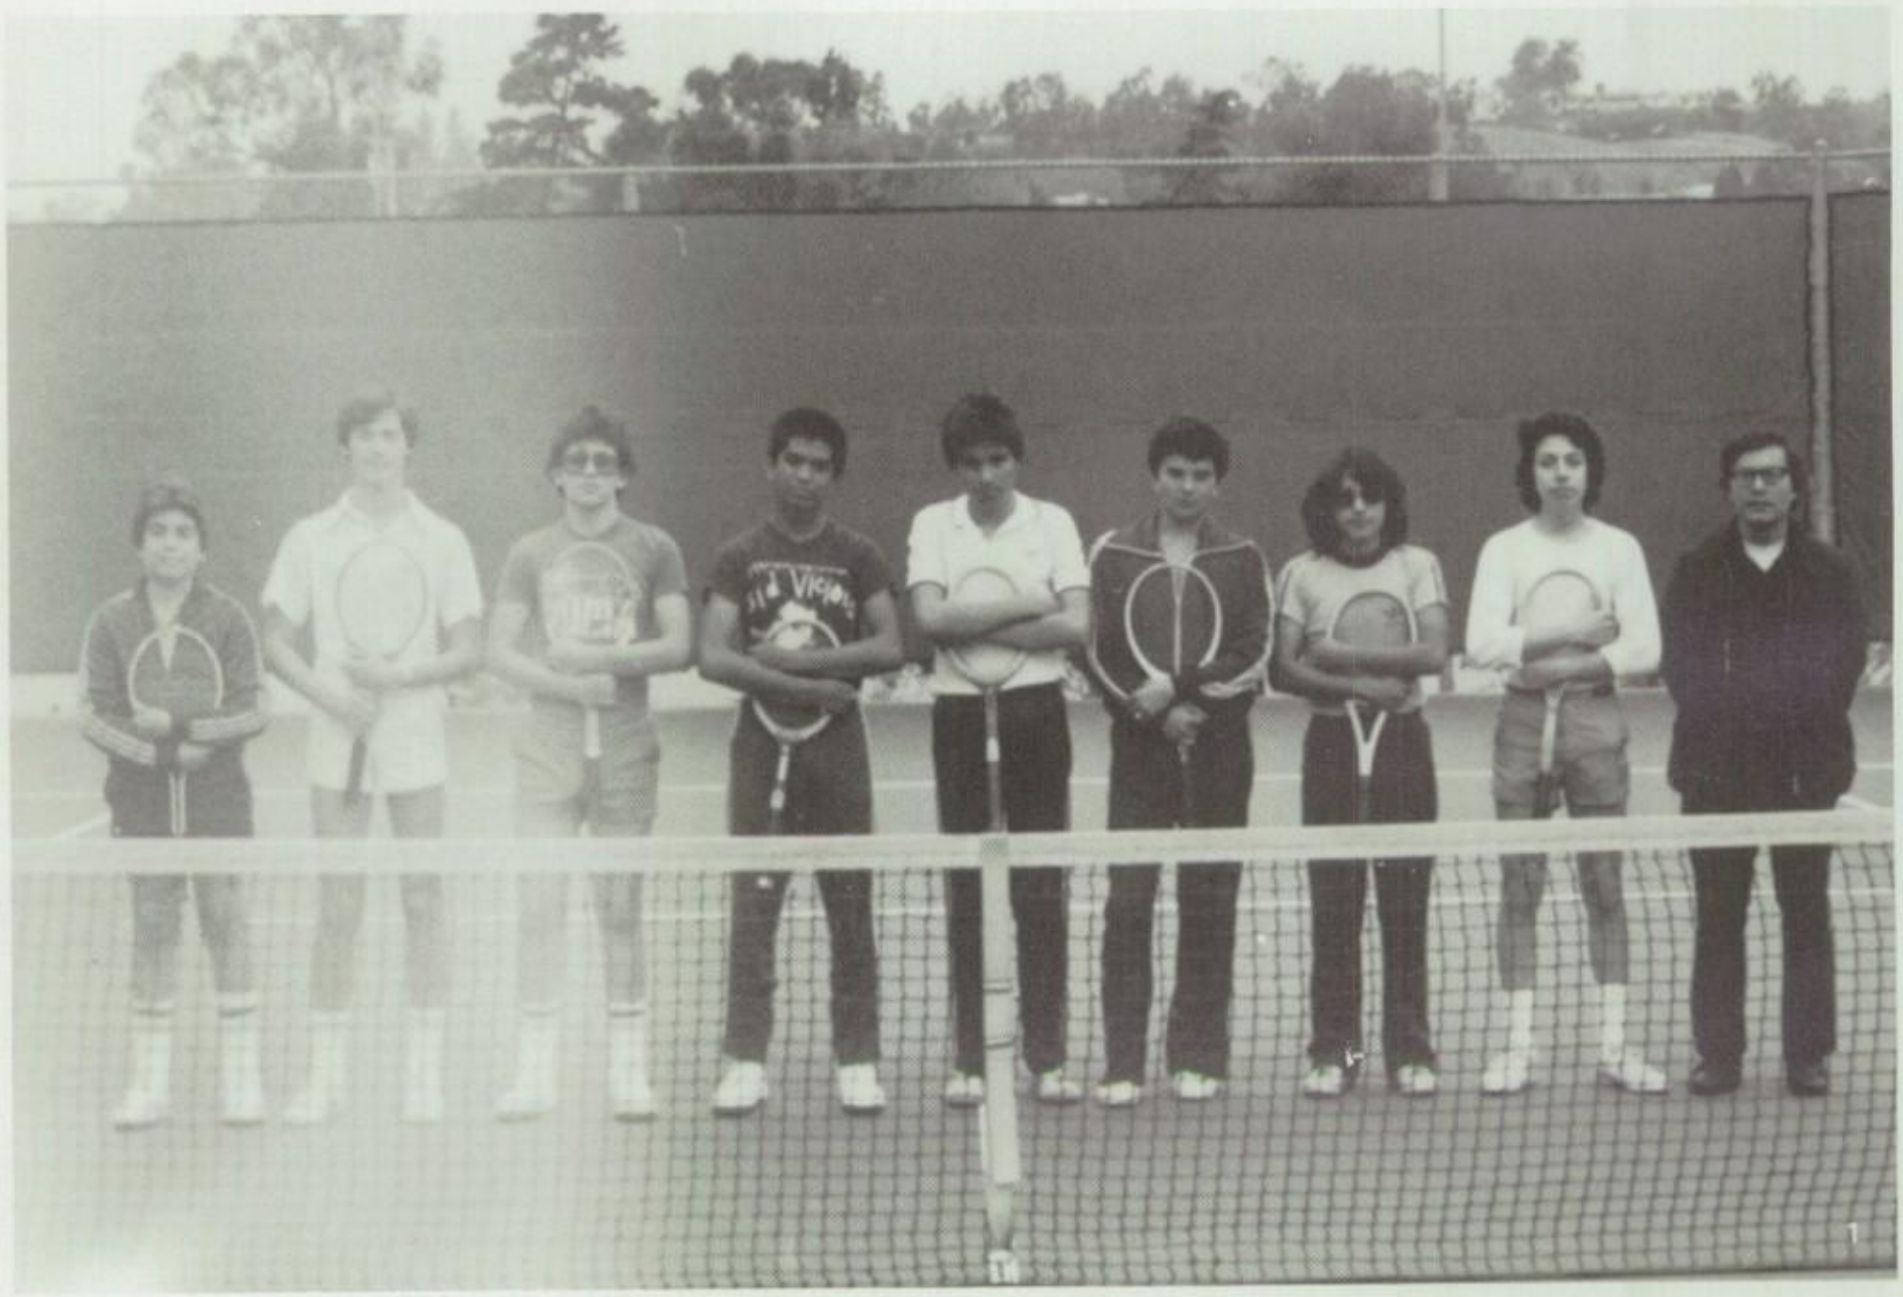
V. TENNIS



By Learning We Determine How Good We Are.

Varsity tennis at Cathedral has produced five league champions in the past six years. This year the team's goal was to not stop at anything short of capturing another title. Varsity practiced long and hard throughout the season just to be a productive team. Varsity tennis in 1981 at Cathedral was successful in the sense of their team spirit. They sweated, they complained, they grunted, they won and they lost - but they did it together. They would also like to be successful, best of all, at winning another league title.

Got To Learn The Hard Way To Excell

J.V. Tennis in 1981 was a rebuilding year for Coach Ambrosio Many J.V.'ers from last year went up to Varsity this year. Nevertheless, the J.V.'s showed great spirit for the game and lots of talent. Their preseason was tough; they won two out of four matches. However, these matches were played against 2-A, 3-A schools. They gave the J.V.'s more incentive to practice harder for their league competition. "Got To Learn The Hard Way To Excel" is what best typifies this Phantom squad; they're willing to go through tough times and extra practices to become number one.

V. TRACK

One Step Closer Towards Victory

Varsity Track in 1981 looks to be a season full of excitement and victories. The team faced strong pre-league competition against such schools as Serra (a 4-A school), Cantwell and Lincoln. In league, the Phantoms figure to give defending league champs La Salle a run for this year's championship. Seniors Mike Venegas (Hurdles), Mike Trafecanty (Distance), Alfredo Lopez (Hurdles), and George Villalobos (Pole-Vault), gave their competition hell with their All-league performances. However, to have a true team it needs all team members to practice hard and to have spirit. Therefore, our Phantom Varsity track team of 1981 should all be given credit for their participation and spirit. Some guys may have struggled a lot harder than others, but it's the effort that really counts.

1. First row L to R: I. Torres, R. Alcala, A. Lopez, R. Romero, R. Loya, S. Garcia. Second row: M. Trafecanty, M. Venegas, G. Villalobos, D. Chun, J. Olivar. Missing: Greg Farley.

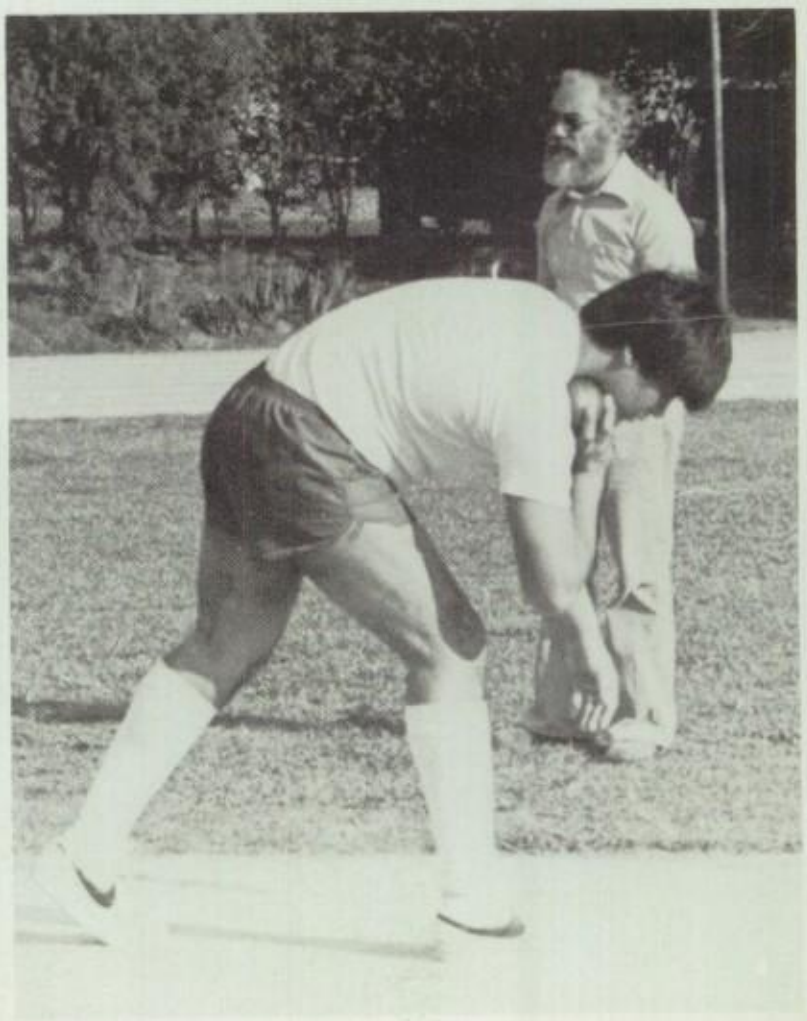
J.V. TRACK



We Are Out To Defeat. . . But Not To Be Defeated. . .

1981 was a year of challenges for Cathedral's J.V. track team. A good turnout of Sophomores and Freshmen made the team, plus a large amount from last year's team returned for this year. Pre-season meets versus Cantwell and Lincoln gave the J.V.'s a real test. These meets prepared the team for their league foes. The bulk of the J.V.'s have the potential and the confidence to become a team Cathedral can be proud of. They have two qualities that will help them reach up to their fullest potentials: endurance and guts!

1. Back row L to R: J. Velasquez, A. Sanchez, G. Guerro, J. Mendevil, A. Martinez, M. Pinon, C. Cuevas. Middle row: R. Morales, G. Martinez, P. Morales, R. Flores, D. Lara, S. Lucero, R. Serrato. Front row: M. Escargega, E. Estrada, M. Silva, A. Delgado, A. Munoz, R. Rangel, A. Aguirre, S. Simon, M. Cabral.
2. Getting rid of kinks.
3. Sam is set for his shot.
4. For Phil, it's only a matter of time before he closes in.
5. Albert with a considerable lead.
6. Gabriel and Anthony on their way to a laugher.

V. BASEBALL

Phantom Varsity: A Very Productive Team

"This is the most talented group of baseball players I've seen in three years as a varsity coach." Head coach Robert Morales couldn't have described the 1981 Phantom Baseball Team any better.

Not only is the team talented, it also contains a fine team attitude and plenty of enthusiasm.

The entire spectrum of the Cathedral Student Body is represented by eight Seniors and two players from each of the other classes. Complementing the returning Lettermen and much improved J.V.'s from last year's squad are the many new faces involved in this year's program.

Forming the nucleus of the team are returning seniors Rene Ramirez, Art Reyes, and Gilbert Lujan. From the Junior class Dennis Ortiz and Frank Pinela are back along with former J.V.ers Henry Holguin, Sal Sanchez, and Eddie Contreras. Newcomers include Freshmen Leo Aguilar, Horacio Ramirez, and Seniors Luis Carmenate, Mike Galarza, Jeff Hernandez, and Willie Santos. Making their Cathedral baseball debuts are Junior Ralph Reyes and Sophomore Rudy Villalobos.

All in all, the 1981 campaign promises to be one of many surprises and thrills. Assistant Coach Gary Bertolone adds: "If ever there was a time that Varsity Baseball at Cathedral was ready to come of its own, that time is now!"

1. Kneeling L. to R.: H. Holguin, E. Contreras, G. Lujan, L. Carmenate, R. Reyes, R. Villalobos, W. Santos, A. Reyes. Standing: Coach Gary Bertelone, M. Galarza, R. Ramirez, F. Pinela, L. Aguilar, H. Ramirez, J. Hernandez, D. Ortiz, S. Sanchez, Coach Robert Morales.

Youth And Endurance Is On Our Side

The J.V. Baseball team of 1981 was a team of talent, dedication, and spirit. Because of rains, many pre-season games were cancelled. However the J.V.'s managed to play well in the games they had. These games prepared the team for a competitive league schedule. A good number of Freshmen made the team, giving Cathedral baseball a nucleus for the future. Sophomores and Juniors greatly contributed towards the team with their poise and experience. The J.V.'s figure to place high atop the league standings. If all goes well the J.V.'s could bring to Cathedral a championship.

1. Sitting L. to R.: Coach Yas Oda, D. Mendoza, M. Gonzales, O. Cardenas, V. Reyes, P. Elizalde, D. Cevera. Standing: R. Martinez, L. Corona, D. Cervera, R. Hernandez, P. Aceret, G. Pachuca, D. Valdez, T. Rosado, C. Flores, J. Gonzales, E. Contreras. Not Shown Mike Young.
2. Oscar gracefully tries for a flyball.

This year's J.V. squad was comprised of eight girls who had never cheered for Cathedral before in their lives. Yet these girls added to the football and basketball games their own sparkle and vitality as never seen before. The J.V.'s started getting their act together last summer at the All-American Cheerleaders Camp in Santa Barbara. It was there that the J.V.'s showed their teamwork and excellence by winning five ribbons, an award of excellence and a spirit stick. Since then, the J.V.'s have never let up. They are a spirited bunch of young ladies who have lots of talent and who have a long way to go. Good luck J.V.'s, hope to see you all back next year!

The season for the Varsity cheerleaders started early in May 1980 when they were first chosen. In that same summer, they traveled to Santa Barbara to learn and compete in the All-American cheerleaders camp. It was there that the cheerleaders showed their ingenuity and skill, receiving five ribbons, an award of excellence and a spirit stick. There was also the addition of three new girls who came to cheer for Cathedral. Along with the other seasoned and dedicated five girls, the two made a perfect combination. Their routines got the student body very much involved in the cheering, like the cheer, "Shake that skirt!" The Varsity Cheerleaders never failed to show their spirit throughout the season. It was that constant spirit that made these young ladies a superb bunch of cheerleaders!

I'LL always remember the great times I had here at school with my buddies that I partied with throughout my four years here. I'll never forget all the times we got busted but never got in trouble for them. My memorable moments were all the times when our group got together & had a good time. I'd like to thank my family for helping me & just being there whenever I needed them. Thank you Monica for helping me & putting up with me.

Most people would say high school is the best stage of your life. As for me, I have had good and bad times. I try to forget the bad, but enjoy and look forward to the good times. I have had many. Most of all, CHS faculty has prepared me for life. That is a memory I will never forget. Cathedral is the school which all boys should have the opportunity to attend. This school would do for the boys as it has done for me. Unfortunately, it isn't possible for everyone to attend. A special thanks to Br. James, my family, & the faculty of CHS.

My most memorable year was my junior year, when we drove the librarian crazy with our magzine fights. I would like to thank my Mom, Dad, Br. Donald, and Br. Anthony. I would especially like to thank my mom who encouraged me to go to CHS. I will never forget the good friends I made, both the ones I will keep on knowing, and the ones I will never see again. I would like to say that the last four years

of school have been long and tough, but I will never forget them. As a senior, I think of all the hard times and classes I had, but also the good times like in my freshmen year. In my freshmen year, I ran track and we were champs. In my sophomore year, I ran track and I played J.V. football. In my senior year, the most memorable year, we were league champs in varsity football and went to the playoffs. In the second game of the playoffs, we lost to a tough team, but we still partied. I hope all the seniors find happiness in all "you" do in life, and I hope to see everyone back at the lake on our reunion day. Take care "1981".

I remember all the fun times we had at our after playoff parties. I will always remember the year we went all the way in football — well, almost all the way. I will never forget the friendships I found here. I will also always remember Soph. year when I met that special person we all look for. I want to thank my parents and God for all the support they gave me. Mom, dad — I thank you for putting up with me, I love you both. Pat, I thank you for getting me through everything, I love you.

Now that graduation is slowly approaching, I've often found myself reflecting back on C.H.S. During my childhood, I had always looked forward to the day I would be able to attend C.H.S. I remember listening to my brothers speak of their friends and experiences here. When my goal was achieved, I found C.H.S. to be all that I had expected. High times with special friend Norma, thanks

good humzinger. Sixteenth birthday partying in Ghia. High times at C.H.S., partying with the guys at the circle, lake, & beach. Getting stuck in the sand, playoffs'80, & racing Datsun. Keep cool bro.

I'm glad for many things, memories of my days at CHS, those hard to believe experiences, Senior yr., & good times with cool people I met here. Mostly us few locos who now familia to me. Times spent with my cheerleader friends, the yrs. in football, winning League & not playing defense my last game, my parents support & BeenBean's yells. My sister's tears after we won the 1st. playoff game, '78 basketball, Carmen's cooking, 1st. click at the lake, our parties, birthdays, games, and Friday's. Thanks Bro. I am very grateful for all that Cathedral has done for me. I give a special thanks to the brothers and all the teachers who have helped me throughout my four years at Cathedral. During my four years at Cathedral, I met a lot of friends who helped me grow and who I went to parties with. Cathedral was a great experience because I came in as a boy and left as a young man. I'll never forget 1981

because it was a year full of memories and adventures. That's why I'm proud to be a Phantom.

I have many things I would like to remember. I wanted to write down a numerous amount of things to express my feelings about the experiences I had throughout my four years at Cathedral. High school looks easy to some people, but it looks hard to others. I saw many hardships during my four years. I think that these hardships would not stop anyone for going on in life. One special gift that everyone has is the gift of hope. I am going to miss the school and people who indirectly or directly inspired me.

I'll always remember the good times. There were so many parties here with all the boys that I can't count them. I'll never forget the good times in my garage with all the radicals. We threw some pretty big parties too. I'll never forget my senior year playing football because this has been my funnest year. I made many good friends here at Cathedral and I will never forget them, especially the radicals. Cathedral's mighty class of 81 is the best class ever. I hope the tradition of CHS will live on.

Although I may not have participated in any club or athletic team, I feel I have gained much in the four years I have been at Cathedral. My friends have helped me to be a better person. I will always remember the first Cathedral dance I attended with my friend and the fun we had before we got to the dance, but I would like to thank my parents. My most memorable experience at Cathedral was my junior year. In my junior year, I was in the A-Honor Roll. Also, the class of Eighty-one was very active in its junior year. I got to meet a lot of friends, that made Cathedral very comfortable for me. It was my best year also because my parents gave me the love & the strength for all my 3 years of education at Cathedral, also on through my senior year. So I want to say I love you mom & dad. I'd also like to thank my queen, Rosa, who truly made my years at Cathedral worthy; she encouraged me in my education. Love always and forever.

I would like to thank Cathedral for a most interesting four years and for the education I received which I hope I will carry with me into college and my future. I would also like to thank my parents for having patience with me and my grades. I love you mom and dad, love Chuy.

These past 3 years at Cathedral have been memorable. The class of 81 has grown so much in spirit since freshmen year. Some of the memorable moments were the class jackets, getting the class ring, the prom, etc. I feel that this class will be remembered at Cathedral. I am proud to be a member of the class of 1981. I will never forget Cathedral. A mis padres que fueron tan buenos y pacientes conmigo les agradesco bastante con amor y carino, y que vivan siempre. Long live the class of 1981 for the success we had as a class at Cathedral High School.

Looking back I remember many things throughout my four years here at Cathedral. I'll always recall the crazy things my friends and I have experienced in and out of school. Partying at the lake, and at the circle, and all the good times I've had at the dances, rallies, and retreats (also, New Year's celebration). I leave with a feeling of accomplishment. Gracias mama y papa para todo. Good luck to the guys of eighty-one. Leaving Cathedral and moving on to other things. . . "is just like starting over."

During my four years at CHS, I have experienced many memorable events. I will never forget my soph. year when we defeated league champion, La Salle, in the final game of the season in double over-time. I will never forget the people I've met at CHS. I will always remember after school get-togethers at the circle and the lake, and attending dances. Cathedral will always live in my heart. May the mighty class of 1981 rule forever.

I found that four years at Cathedral are not sufficient enough to learn what needs to be learned. I thank my mom & pop for their undivided support and my teachers. I thank Vici for being my comadre. I thank Nena for showing me true love and Linda for being there when needed. I remember those nights at the lake, at the circle, or at Jeff's house—all of which were mind boggeling and exciting, especially "Bs". Our class was, is, and always will be no. 1.

Trying to recall all the wonderful experiences I've had at CHS is like trying to count the stars in the sky. I've spent the best yrs. of my young life here. I'd just like to say thanks to everybody who's helped me, especially my parents, whom I love very much.

I would like to give a special thanks to Br. Edmund for helping me get through CHS, financially. I have had some of the most memorable moments of my life here at CHS. I will never forget the good times we had during football season, but the biggest flop of my experiences at CHS was when Edwin Diaz took my starting position on the football team after I dislocated my shoulder, and he received All-League recognition. Wow. What a bummer. Well goodbye. Unity = CHS. I'll never forget you.

The first thing I would like to say is that Cathderal to me has been the most memorable years of my life, because while I was there I got to meet alot of girls. Other great times at Cathedral were at the dances because there I got a chance to go crazy. I would like to thank mi padre y mi madre por todo lo que hicieron por mi. And also thanks to my sister for lending me her car. I'm going to miss you Cathedral.

I would really like to see all of my friends in the senior class of 81 to do well, especially me. I plan to attend law school after getting my Bachelors in Business. Cathedral for me was a good four years of my life. I will really miss Cathedral, but just knowing that I was a phantom for four years did me real good. Senior year was the best and even though we all went through good times and bad times, it was all worth it, especially getting so drunk before Led Zep movies. Even though Led Zep broke up, their music will live on forever.

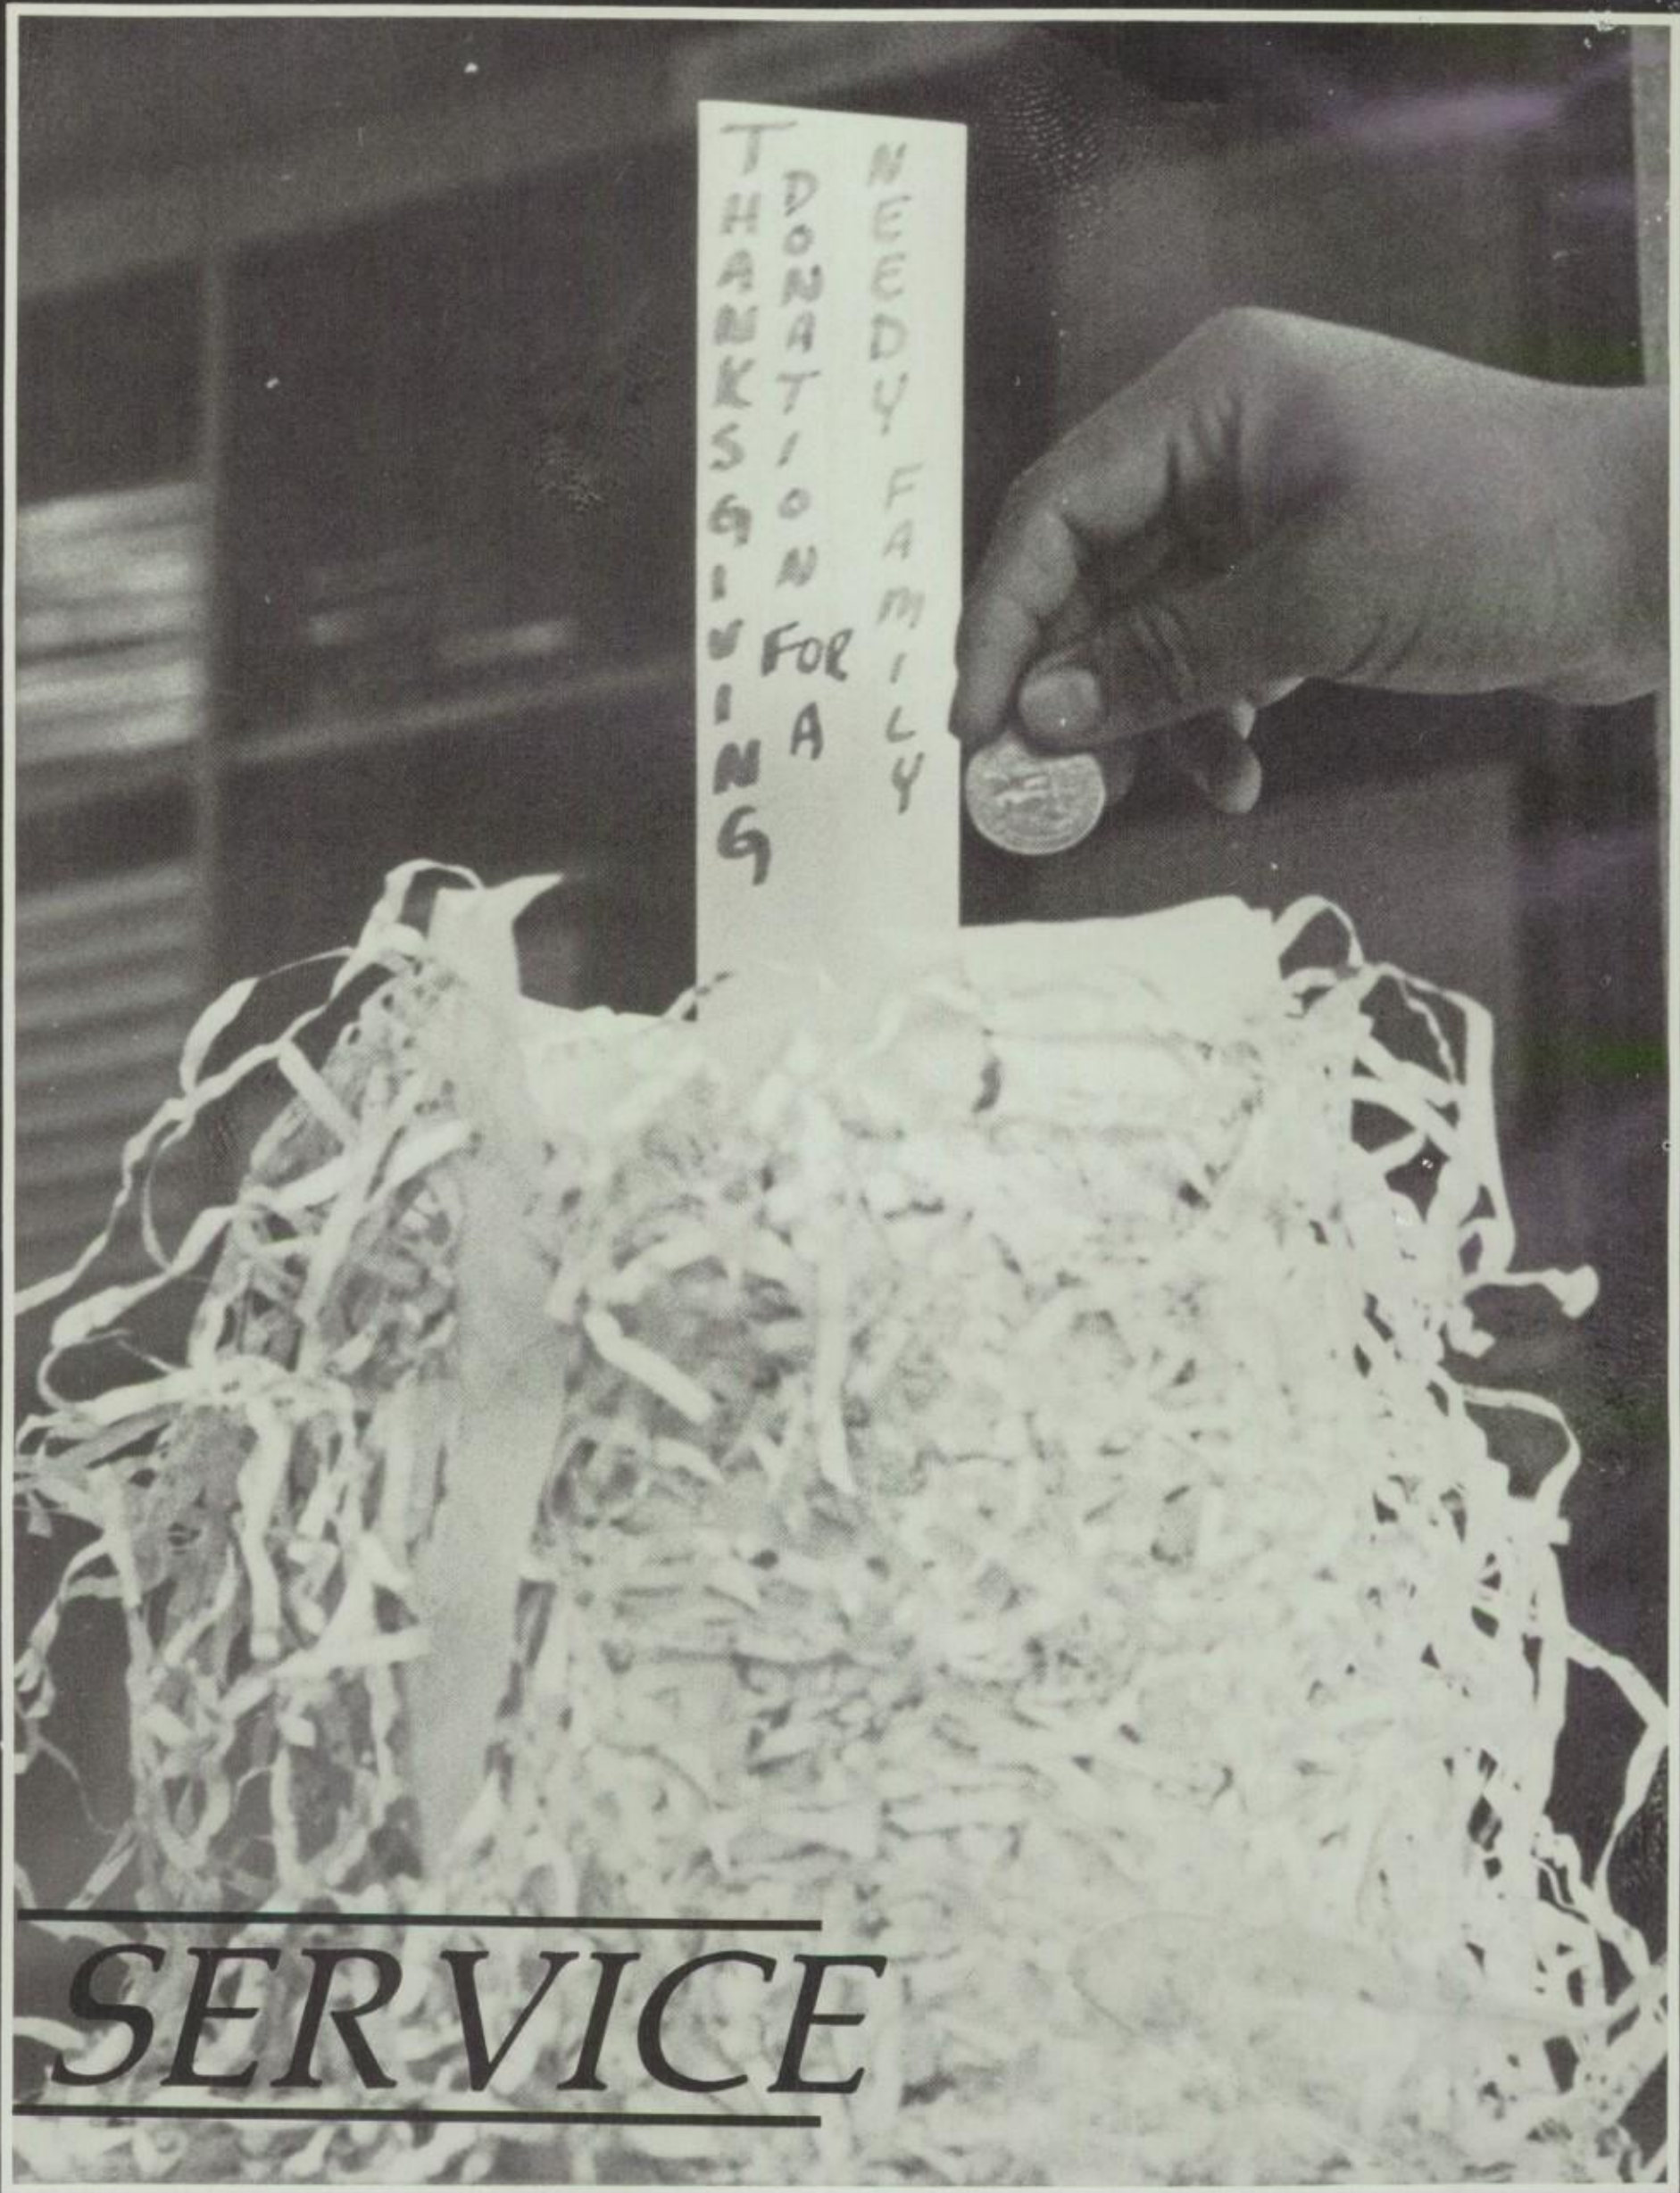
Dancing The Night Away.

Dances at Cathedral are always looked forward to by its students and of course by the girls of neighboring schools. A lot of hard work is involved in setting up our dances. Because of the absence of a dance committee this year, it was up to the various councils and organizations to do the hard work. Without their time and effort, all our dances would not be as successful as they were.

Sock-hops as well were thrown in greater numbers this year than any other year. Time and effort were given as well to sock-hops to make them as successful as they could be.

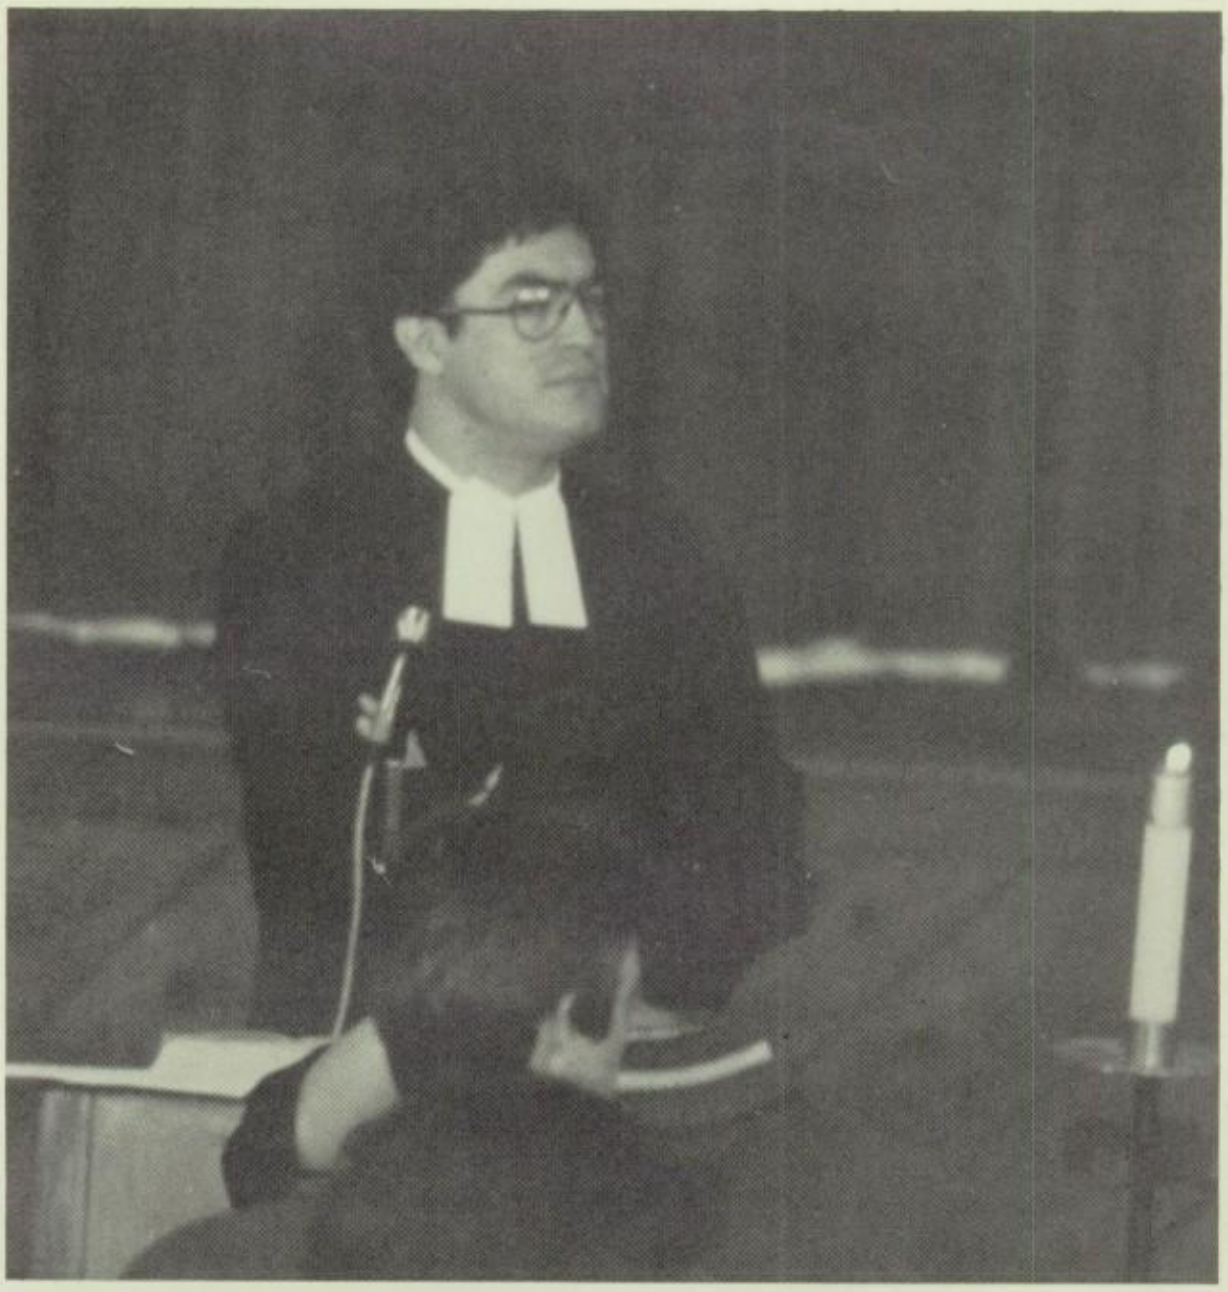
All dancing activities are given because it is sensed that they give the student a free expression of his feelings through dancing. Where can you find a better way?

1. How do they keep from sliding across the floor?
2. "What do you mean you can't find her?!"
3. Ooo,lala. . .
4. Punking out.
5. Gotta mix it just right!
6. Nobody dances like the old days.
7. Cathedral packs'em in.
8. "You wanna dance?"



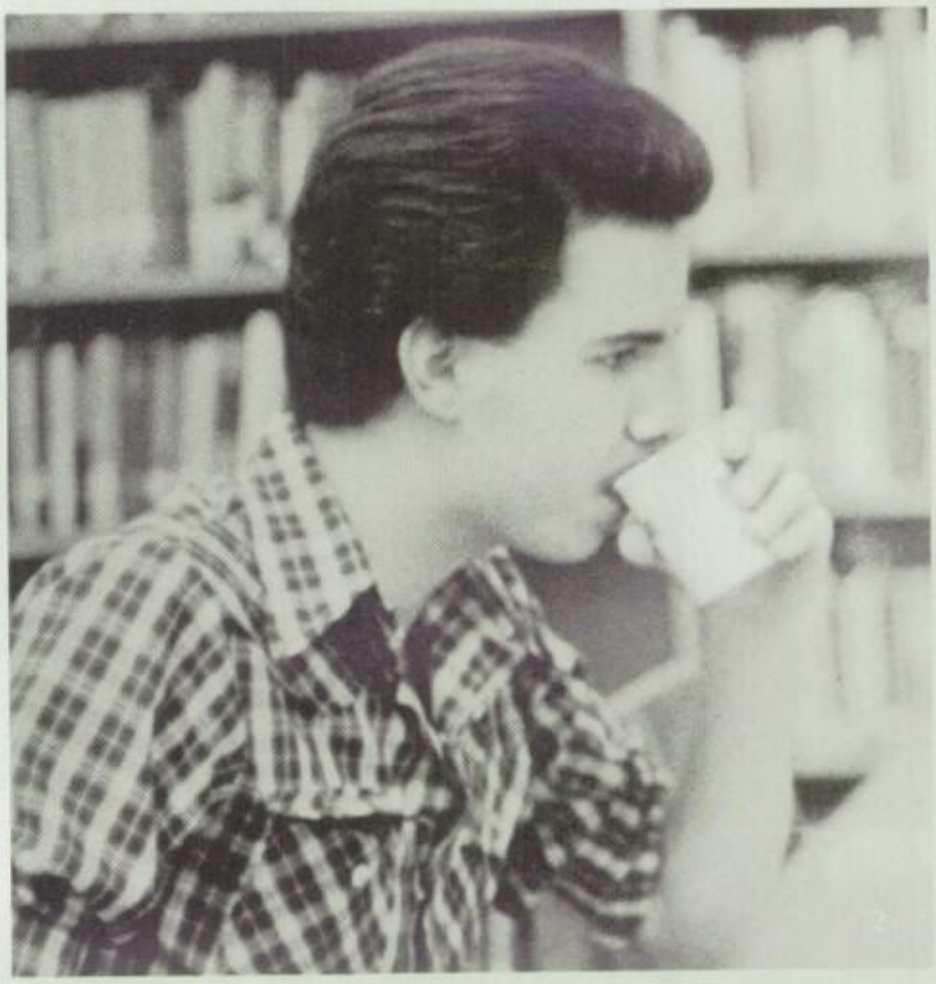
SERVICE

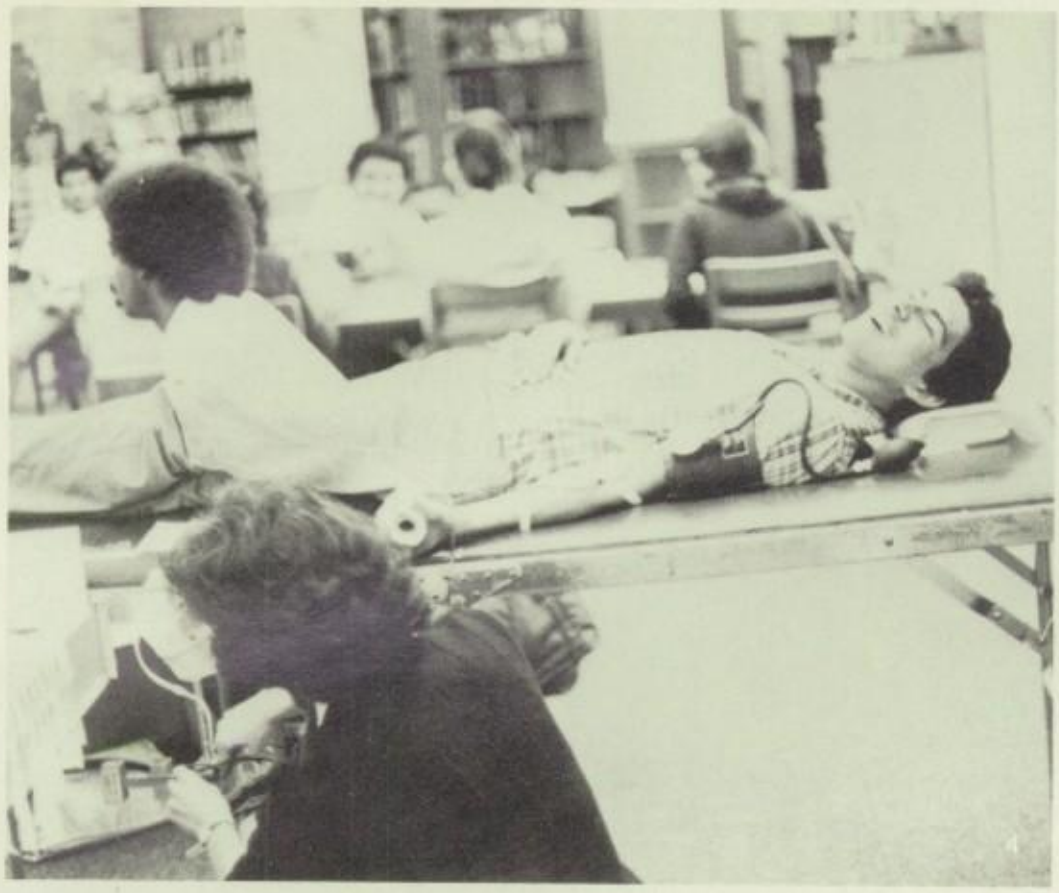
BROS. MANUEL AND XAVIER



When a friend departs from another friend, there is always a moment of sadness. Yet there is a feeling of gratitude for his friendship. At the end of this year, two friends depart Cathedral: Br. Manuel and Br. Xavier. We will always remember both men not only as sincere and dedicated teachers but also as true friends. They have always given their time to counsel us, to calm us down, to cheer us up, to strengthen us, to just be our friend when we needed one the most. They are two living examples of the meaning of service. On behalf of all Phantoms past and present, the yearbook staff would like to acknowledge Bros. Manuel and Xavier as men who have provided their services to us not only in teaching but also in friendship. We shall feel a tinge of sadness but moreover, a load of gratitude - God Bless you two always.

BLOOD DRIVE

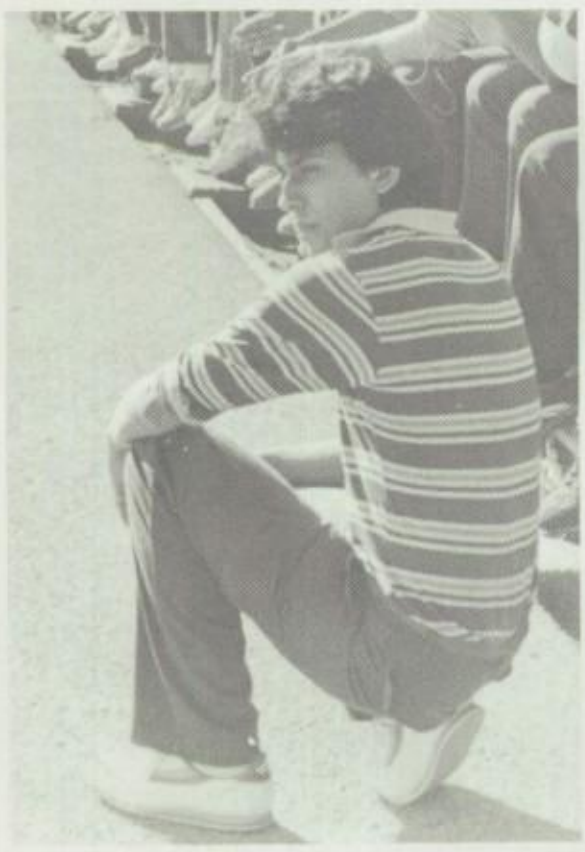




To give blood is to give life and on Dec. 10th, 1980, Cathedral's Christian Action Club sponsored this annual life-giving event. 36 pints of blood were received by the Red Cross from Cathedral students and Faculty, far short of the record 64 pints last year. However, those who gave their blood gave something of themselves for others and that's what really counts. The Blood Drive is a special service presented to the student body and it is hoped that it will continue on for a long time.

1. *All for a good cause.*
2. *Tim sampling the blood.*
3. *This job has good benefits!*
4. *Ricky and Art hard at work.*
5. *"Ayyyyyy, that hurts!"*
6. *Father Penaloza socializes.*
7. *Ricardo in an "altered state."*

THE STAFF



The Editor's job at Cathedral can be a lonely one. He is always the last person to close, always the first person to work on the book on weekends. All the problems come to him, yet all the pleasures of doing a creative layout are his to savor first. All in all, he experiences the trials and tribulations of producing a yearbook. A good annual will not do at Cathedral; an excellent one is demanded. As the Editor of this years' annual, I felt I have done the best job that anybody else with absolutely no experience could have done. I would like to thank Mr. Amendola for the help and moderation; a big "Thank You" to my staff for putting up with me and for doing an excellent job, particularly Eric Sales for doing a great Ad section, and also Br. X for the use of his camera. The Chimes '81 did its best to be fair to all students in terms of pictures. This yearbook was done for all, the active and the lackadasical, so treasure and enjoy it!

CATHEDRAL, I will always remember you, for you've been an experience I will always treasure! More importantly, I'll remember all the friends I've made and all the love and joy they all brought to me. Thank you, Cathedral, for giving me that chance and for giving me the honor of being a Cathedral Cheerleader.
To the "Brothers and Faculty": you make Cathedral one great place and thank you for everything.
To the "Class of 81": Good luck in all you pursue in the future!
Daddy "Class of 56": thank you for all your love and inspiration and for introducing me to Cathedral.
To my brother Bobby "Class of 84": You're the best brother someone can ask for. Thank you for all your love and for always taking care of me. I wish you all the luck in the world and hope to share in all the joys of your high school years as you did in mine.
To my "Baby Brother" Andrew, "Class of 86": Your almost there! Good Luck!
God Bless you all! I love you. Cathy Adanto RCHS "81"

My cousin Raul is a Senior now, and a part of his life is gone, but now he will begin on a road that will bring him to many crossroads. Two things in his heart will guide him onto the right directions and when he becomes successful he will reflect on those two things in his heart that brought him this far. Those two things are to be a graduate of Cathedral and be a Flores.
GOOD LUCK, you're on the way,
your cousin

The Trials. The Troubles. The Satisfaction!

These are a few of the people who have given of their own time to help create this book. We have tried our best, so we hope you will cherish this book for years to come. There have been many hard times, but we've managed to get through them. Thanks to the leadership and dedication of our editor, we've made it!
